COAST TILE

# KAI

The Kai collection invites you to unleash your imagination and transform your space into a vibrant reflection of your adventurous spirit.

# INTRODUCING KAI

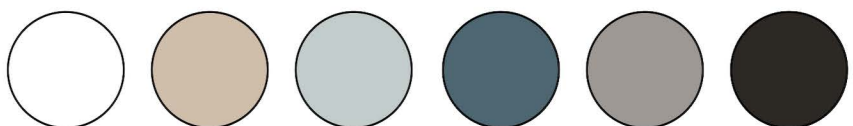

These 2.5x8 inch handmade-look subway tiles with a twist boast a reflective glossy glaze, elevating them beyond mere surfaces to true works of art.

## UNLEASH YOUR IMAGINATION

Dive into the crisp purity of **Cotton** – a pristine white reminiscent of sun-bleached sands, offering a fresh, clean backdrop for any space. For those seeking warmth and tranquility, **Oyster** beckons with its soothing beige hue, evoking the gentle caress of coastal breezes. **Opal** introduces a playful touch of whimsy with its soft, ethereal blue, reminiscent of the ocean's shimmering surface on a sunlit day. Meanwhile, **Peacock** commands attention with its deep, majestic navy, echoing the mystery and allure of the midnight sea. For those drawn to vintage coastal charm, **Pewter** offers a weathered elegance with its muted gray tones, reminiscent of driftwood and weathered beachside cottages. And finally, **Onyx** stands as a statement of boldness and drama, its deep black hue exuding power and allure, like the depths of a moonlit ocean.

Available Colors:

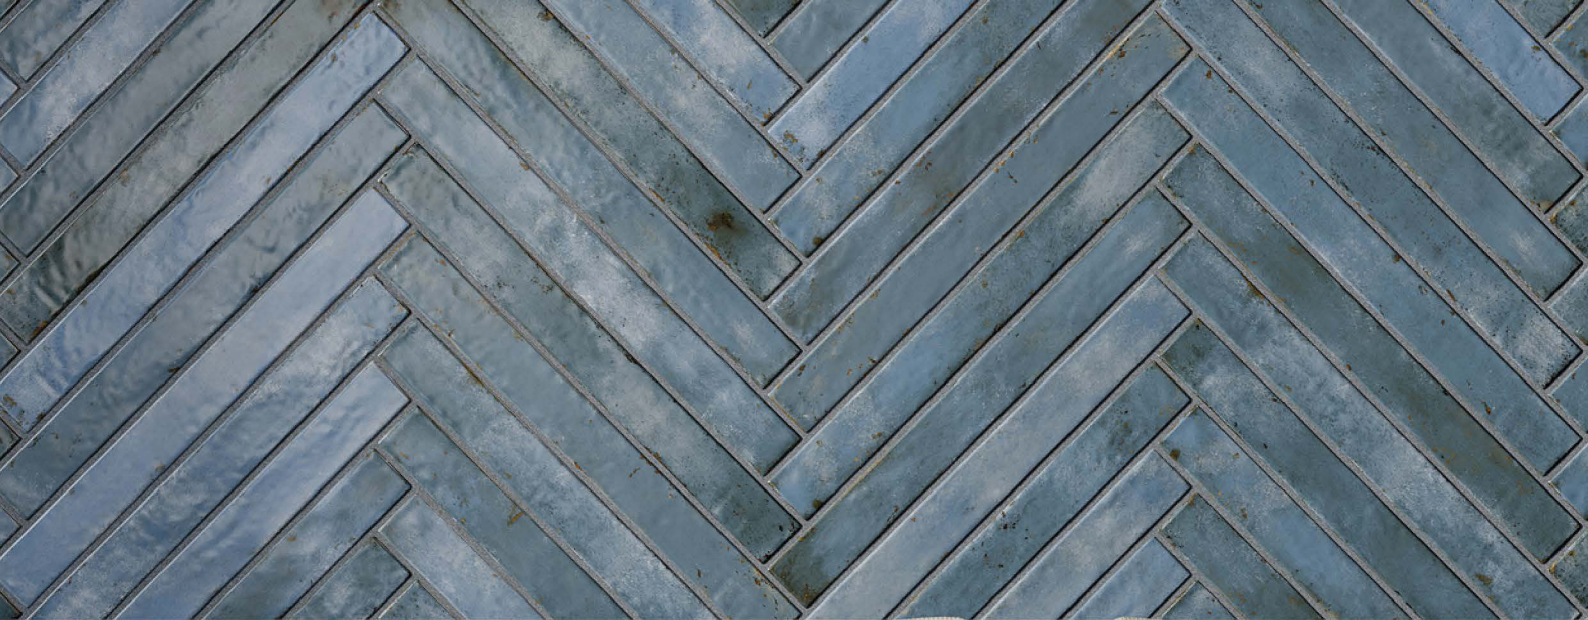

# PACIFIC

A collection that redefines contemporary design with its sleek 2x18 subway tile format. Crafted from matte porcelain, this collection boasts a spectrum of six captivating colors.

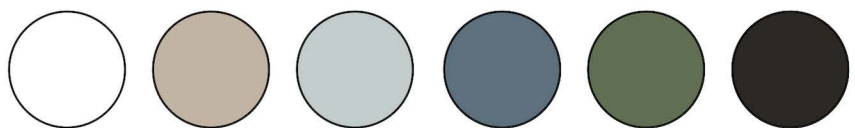

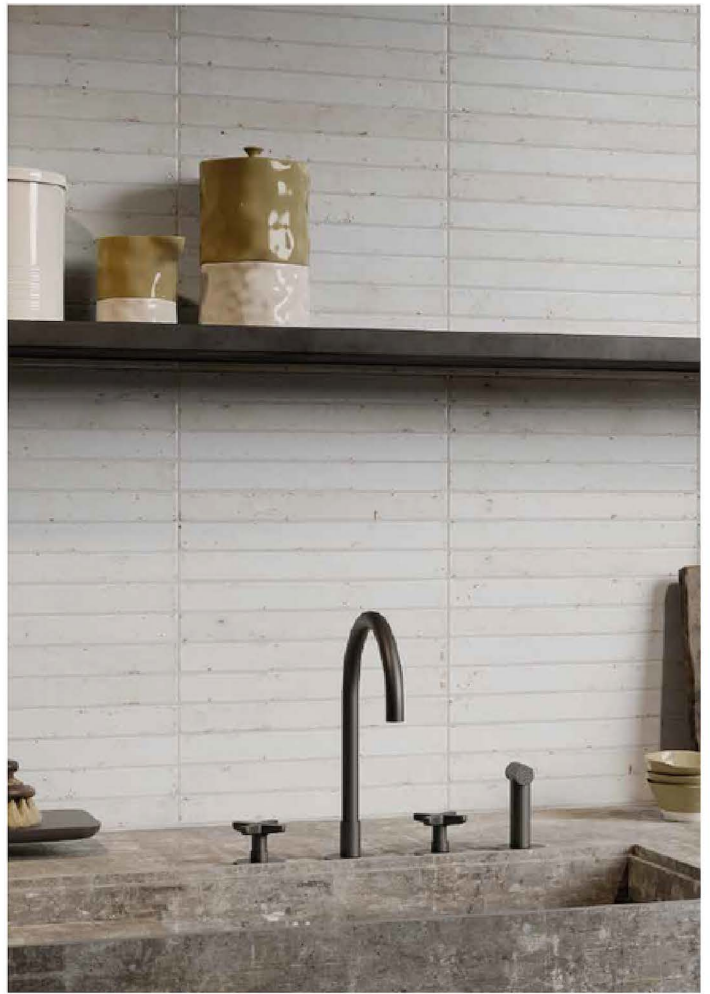

## MEET PACIFIC

With Pacific, the possibilities are endless – explore, create, and redefine spaces with a collection that transcends boundaries and celebrates the fusion of artistry and functionality.

From the pristine purity of **White** and **Ivory**, evoking serenity and elegance, to the vibrant hues of **Blue** and **Sky**, radiating intensity and freshness, the Pacific range caters to a myriad of design sensibilities. For those drawn to the tranquil allure of nature, the **Green** option captures the verdant shades of the outdoors, while the **Charcoal** variant lends a touch of urban sophistication to any interior.

Available Colors:

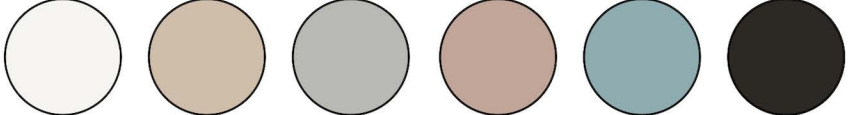

# PATINA

Patina, where timeless elegance meets the allure of aged beauty in a palette of subdued hues and matte finishes.

# PATINA'S TIME-WORN ELEGANCE

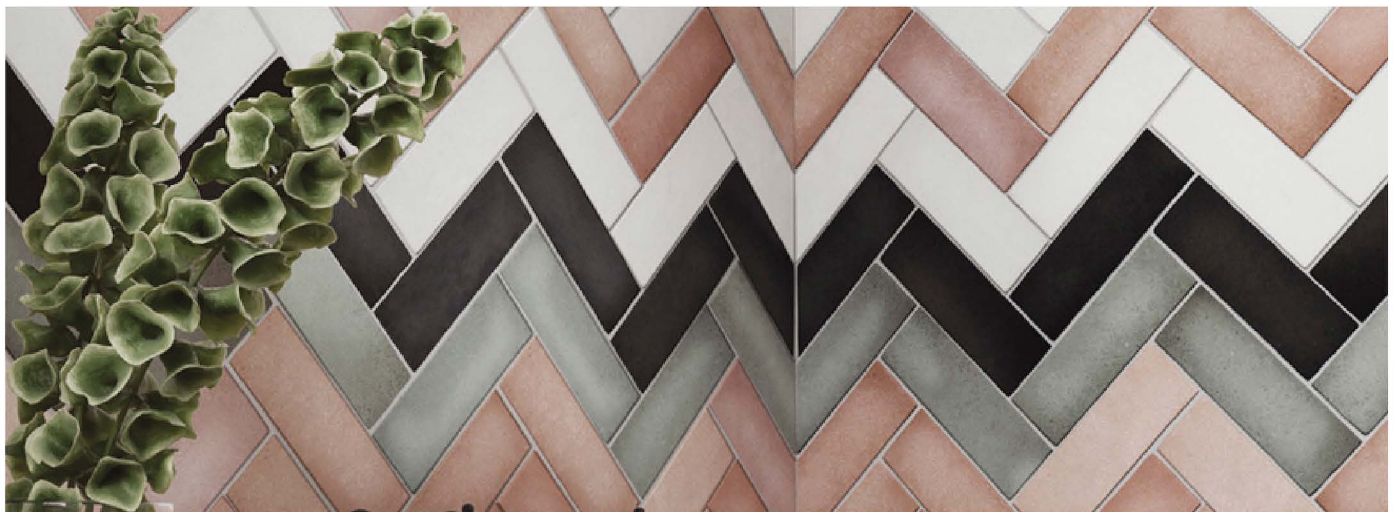

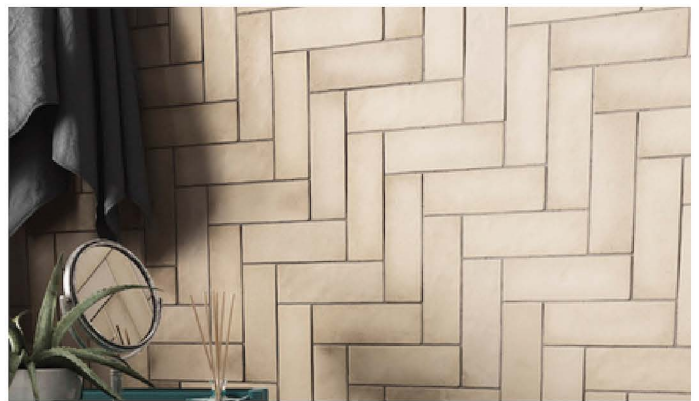

These 2.5x8 inch ceramic white body tiles are not just tiles; they're a testament to the artistry of time, offering a rich depth of character and substantial shade variation that adds a touch of intrigue to any space.

Available Colors: 

## A COLORFUL COLLECTION

Embrace the understated charm of **Chalk** – a pure white reminiscent of weathered coastal cliffs, offering a serene backdrop that whispers of quiet sophistication. For those seeking warmth and comfort, **Sand** welcomes with its earthy tan tones, evoking the soft embrace of sun-kissed shores. **Dove** introduces a sense of timeless grace with its gentle gray hues, like the misty morning fog rolling in from the sea, enveloping your space in a sense of tranquility. **Rose** adds a delicate touch of femininity with its subtle pink blush, reminiscent of seashell treasures washed ashore. For those drawn to the soothing embrace of ocean hues, **Turquoise** invites you to dive into the depths of azure waters, where every ripple tells a story of ancient wisdom and boundless adventure. **Raven** stands as a bold statement of contrast, its deep black tones adding a touch of drama and mystery, like the night sky over the restless sea.

# SIENA

Inspired by the rustic beauty of handmade terracotta, this collection embodies the warmth and character of old-world charm, while embracing modern technology to create a truly unique aesthetic.

# SIENA'S ARTISAN CRAFTSMANSHIP

With its marked edges and delicate light clouds adorning the surface, each tile in the Siena collection exudes the rustic allure of handcrafted artistry. Available in four captivating colors – Grigio, Avorio, Cotto, and Biscotti – these tiles offer a harmonious blend of earthy tones and neutral hues, evoking the rich patina of aged clay.

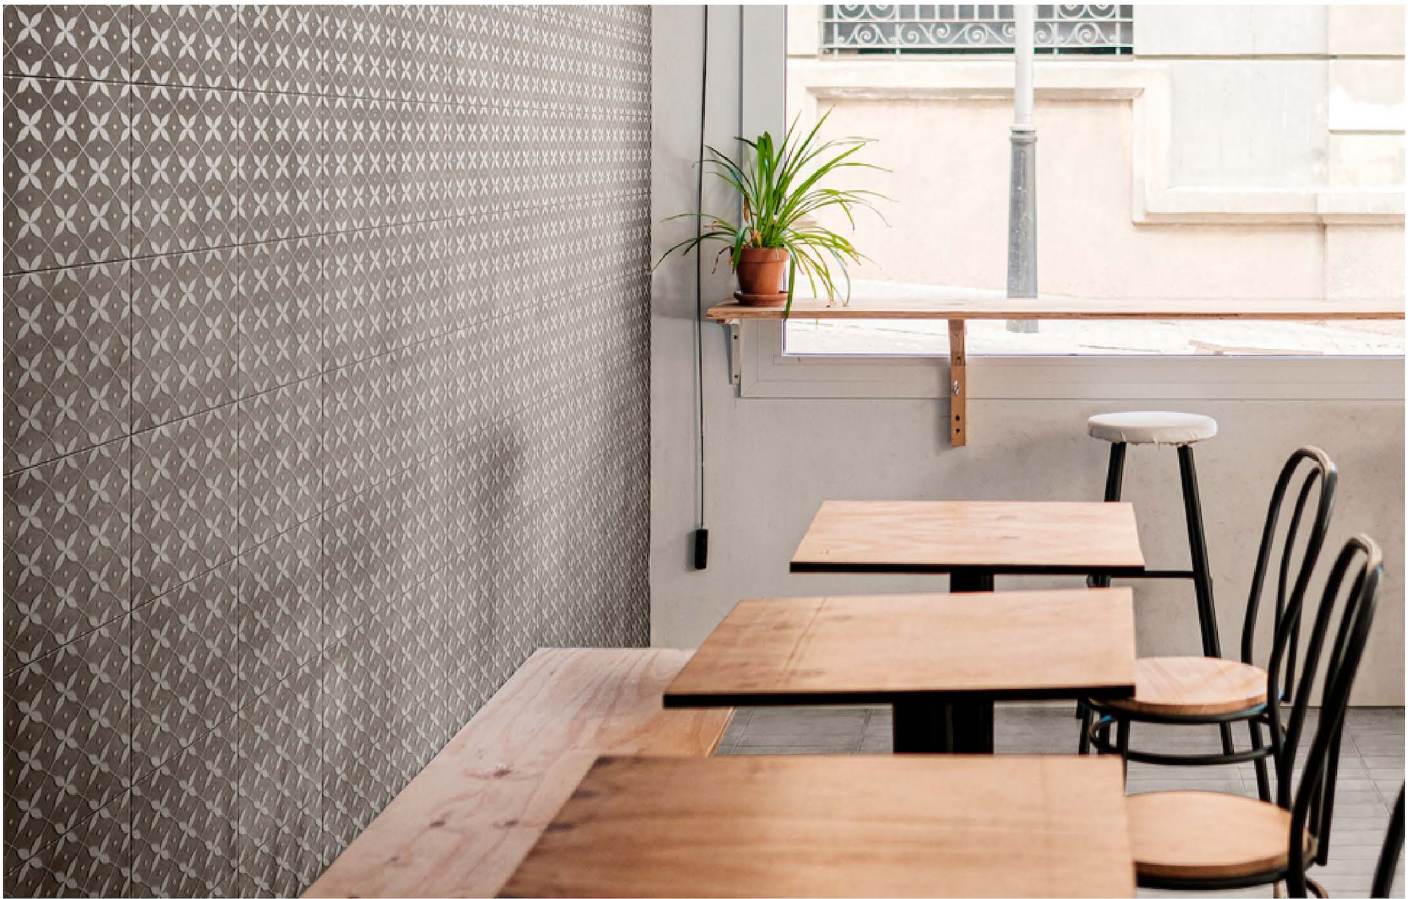

Crafted from high-quality porcelain and rectified for precision, the Siena collection features two versatile tile options: a 24x24 tile suitable for both floors and walls, and an 8x8 decorative tile designed specifically for walls. The decorative tile showcases a stunning cotto effect achieved through innovative 3D ink technology, capturing the intricacies of natural terracotta with remarkable textural realism.

## Available Colors:

## NATURAL DELIGHT

The natural finish of the decorative tile pairs beautifully with stoneware collections featuring stone or wood looks, enhancing the aesthetic characteristics of each material and creating soft, relaxing atmospheres that invite you to unwind and indulge in the timeless beauty of Siena.

# UTOPIA

Where dreams take shape and reality meets imagination in a symphony of color and design.

# WELCOME TO UTOPIA

These magnificent 12x40 inch porcelain wall tiles redefine the boundaries of space with their matte finish, offering a canvas for boundless creativity and unparalleled elegance.

## Available Colors:

# UNLEASH YOUR IMAGINATION

Step into a world of pristine serenity with **White** – a pure, luminous hue that bathes your space in a timeless glow, inviting you to explore the infinite possibilities of design. For those seeking the tranquility of ocean depths, **Blue** beckons with its serene, gray-blue tones, capturing the essence of the sea in all its majestic beauty, evoking the calmness of still waters.

The true masterpiece of the Utopia collection lies in its **Mural** option, where coastal leaves dance across the surface in a breathtaking display of nature's splendor. Each leaf whispers of sea breezes and salty air, evoking memories of lazy days spent by the shore and the promise of endless adventure.

Whether you're seeking to create a sanctuary of calm or a haven of inspiration, Utopia offers a glimpse into a world where anything is possible. With its striking design and versatile palette, these porcelain wall tiles invite you to transform your space into a utopian paradise – where beauty knows no bounds and imagination reigns supreme.

## WE ARE URBAN COAST TILE

Urban Coast Tile isn't just about tiles; it's about embarking on an exhilarating journey of self-expression and creativity. Born from a team of adventurous designers at our parent company, Tile Market of Delaware, we set out to redefine the very essence of tile experiences.

Our journey began with a vision to blur the lines between imagination and reality, to invite homeowners, designers, and architects to dream boldly and design fearlessly. Each tile in our meticulously curated collection is a testament to our commitment to quality, aesthetics, and functionality, crafted to inspire and empower your creative vision.

Explore our diverse range of tiles, and let them transport you to exotic locales, stir your wanderlust, and inspire you to craft spaces that reflect your unique spirit of adventure. Together, let's push the boundaries of design and innovation, one breathtaking space at a time. Welcome to Urban Coast Tile—where every tile tells a story, and every space is a canvas for your wildest dreams.
