

Doggie Daycare and Boarding Application Checklist

Send your pet's medical records when making your daycare or boarding application. Email: thepetset@thepetset.com

Age and Vaccine Requirements:

Dogs must be at least 16 weeks old for Daycare

Annual wellness exam by a veterinarian

Rabies

Canine Distemper/Parvo (DHPP)

Bordetella

Annual fecal test

Leptospirosis is highly recommended but not required

K9 Influenza is recommended but not required

Lyme is recommended but not required

Show proof of purchase of a veterinary prescribed flea/tick product or we can administer this for an additional fee.

A successful temperament test is required before participating in daycare or boarding. Please fill out our Daycare/Boarding Application form on-line, have your veterinarian email your pets medical history, and then our Manager will call to schedule the ½ day temperament test.
