

The WBZ washdown retail scale is ideally suited for food preparation, outdoor markets, shops and agriculture facilities. With a streamlined design, the WBZ fits neatly on crowded counters or workbenches. WBZ features a stainless steel pan and an IP66-rated washdown housing for protection against dust and water. The easy-to-read backlit display shows weight, price per unit, and an oversized view of the total cost. Completely portable, the WBZ operates with an AC adapter or rechargeable battery pack. With NTEP/Measurement Canada approvals, WBZ is suitable for use in trade.

Portable and durable IP66-rated scale is a winner for price computing in retail locations
