

# HYDRATE

HYDRATION SYSTEM USER GUIDE

**BEAST®**

## **Meet Beast.**

We've always known we were supposed to eat our vegetables.

We've always known we were supposed to drink lots of water.

But didn't...

So we set out to create a blending and hydration system that would make Mom proud.

Beast fuels your body with real food: no processing, no additives, no BS.

From an energy-boosting morning blend, to nutrient-infused hydration throughout the day—and even a blended dessert in the evening—Beast fits seamlessly into your day to make you...

What's Included.....	4
Before Use.....	5
Care & Cleaning.....	5
How to Use Your Hydration System.....	6-7

## What's Included

### Parts Included With Hydration System:

1. Glass Vessel (750mL / 25 oz.)
2. Drinking Lid
3. Carry Cap
4. Chamber Mount
5. Infusion Chamber

## Before Use

### Before using the product for the first time:

1. Disassemble all components.
2. Discard the packaging support from beneath the infusion chamber.
3. Hand wash or wash on the top rack of the dishwasher only.

## Care & Cleaning

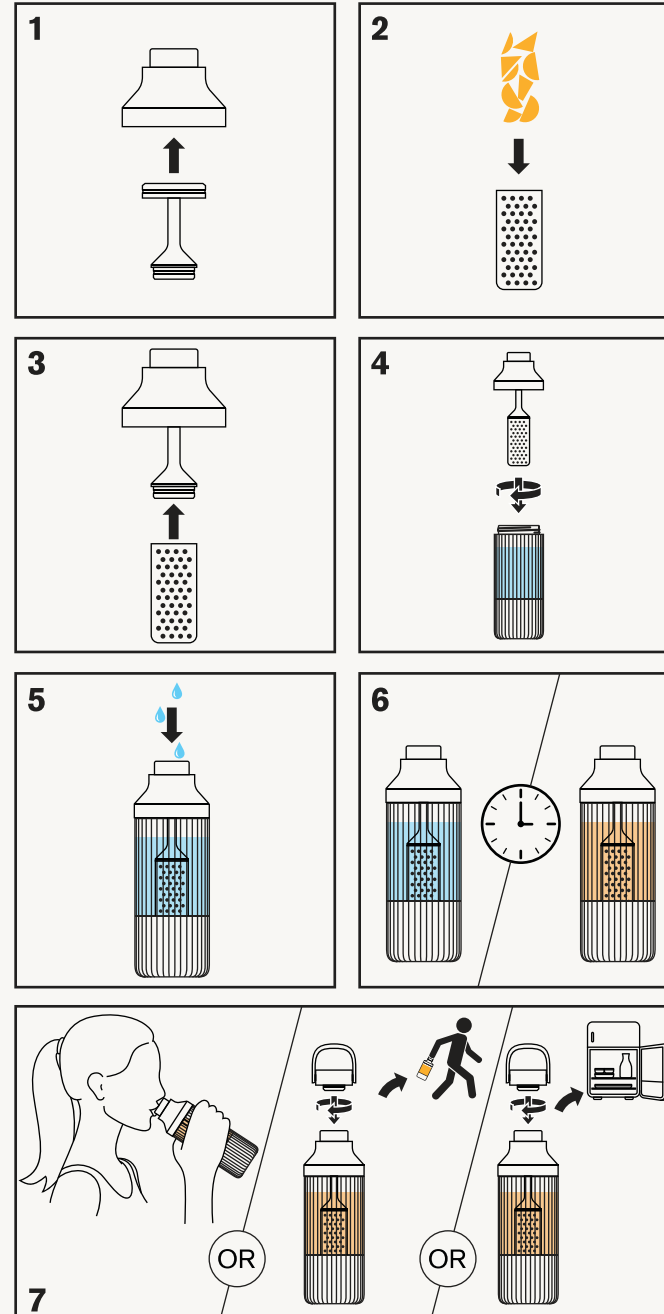

Hand wash or wash components on the top rack of the dishwasher only.

**PLEASE NOTE:** The White and Grey colored components are susceptible to staining, and should not come in direct contact with ingredients prone to causing stains, such as: turmeric, beets, carrots, or other bright colored ingredients. If these ingredients do come in contact with light-colored components, immediately follow the cleaning instructions listed above.

## How to Use Your Hydration System

*For hydration infusion recipes, visit [thebeast.com/recipes](http://thebeast.com/recipes)*

1. Attach the Infusion Chamber Mount to the Drinking Lid.
2. Add your preferred infusion ingredients into the Infusion Chamber.
3. Attach the Infusion Chamber to the Chamber Mount.
4. Twist the Drinking Lid onto the Glass Vessel.
5. Fill the Glass Vessel with cold or room temperature water. Add ice if desired.
6. Allow the ingredients to infuse into the water for as long as specified in the recipe.
7. Drink, add the Carry Cap to take on-the-go, or store refrigerated.
