## BRING HISTORY HOME

*Benjamin Moore and The Colonial Williamsburg Foundation have teamed up to recreate the colors that defined the early years of our nation. Using research conducted by preservationists at Williamsburg, our chemists created a collection of 144 beautifully nuanced colors—a timeless palette that is both historic and distinctly modern.*

## LLEVE LA HISTORIA A CASA

*Benjamin Moore y The Colonial Williamsburg Foundation se han unido para recrear los colores que definieron los primeros años de nuestra nación. Basándose en las investigaciones realizadas por conservacionistas en Williamsburg, nuestros químicos crearon una colección de 144 colores de hermosos tonos, una paleta eterna que es tanto histórica como claramente moderna.*
