2022

Proudly Hand Made in America

Since 1995

Double layered 1200+ Denier CORDURA fabric offers tough and comfortable for years. **YOU CAN FEEL THE DIFFERENCE!!**

Metal hook system reinforced with **high density nylon webbing** will work perfectly with our 3-point suspenders.

2-inch-wide SCUBA nylon webbing tipped with either thick **FULL GRAIN USA calf leather** or a durable **quick release buckle**.

Reinforced throughout using **bar-tack stitching** and **double locking metal rivets** to eliminate tears or rips.

Selection of **COLORS** and **PATTERNS** available.

MAX belt system designed to provide **comfort, support and ventilation**.

Sturdy inner lining and pockets with heavy webbing to provide strength and **avoid tools poking through**.

Pouches designed with slots, pockets and a boxed bottom to **maximize space**.

Made in the USA
Hand cut and sewn - TOP quality
3-year defect warranty

High density nylon handles provide easy adjustments, transport, and storage.

MAX belt system includes Velcro to make sure it fits comfortable for you and that your **pouches stay where you put them**.
FULL GRAIN USA calf leather is used.

Large upper Velcro pocket with elastic slots to store those small items you don't want to lose.

High density nylon webbing to provide the **perfect pocket opening**.

Clip on zippered or pocket Connect-A-Pouches to **extend your tool belt** for those larger / specialized jobs.

Introducing our new MAX belt for 2022. Even better than our Comfort Belt, the MAX has a new design to provide:

- 1) Ease of use with HANDLES,
- 2) Improved FIT and COMFORT
- 3) Better BACKSUPPORT
