**Let's start!**

Take out your prepared Golf Bag Cutting Die

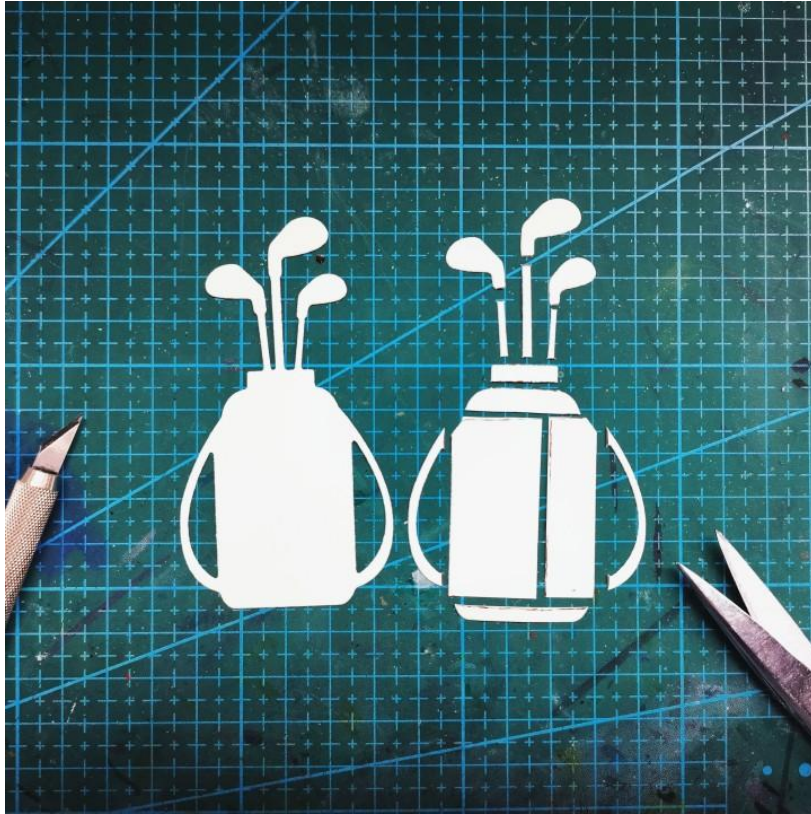

Step 1:

Cutting out the shapes of golf die with a cutting machine

Step 2:

**Cut one of the cut patterns with scissors**

Step 3:

Use a marker to color the cut one

Step 4: Glue the painted golf bag to the unpainted bag, then use a paintbrush to draw some decorative patterns on the bag

Step 5: Glue the finished golf bag to the prepared background paper
