Control Location:	Bottom Centre

Key Features

Child Lock

Allows you to lock the control panel to ensure little hands don't cause big accidents.

Timer

The timer function on this cooktop can operate in two ways, one as a minute minder which will sound an alarm when the countdown is reached, the other as a timer which will turn off the zone at the end of the set cooking period.

Residual heat indicator

A light will be shown to warn of residual heat, making sure big and little hands stay safe from harm.
