Aesthetics

Finish: Stainless Steel
Controls: Electronic Controls with LED Display

Key Features

Cutlery Tray

Keep your all cutlery neat and tidy during a wash cycle with a hardy tray.

Flexible Basket

Every load is different. That's why we've designed a Flexible Basket option which allows you to adapt the interior and fit dishes of all shapes and sizes - anywhere. Simply click the side levers on the top basket to lower it to accommodate things like tall glasses. Or, raise it to allow maximum space for frying pans or serving plates on the bottom drawer.

Dual Zone

Dual Zone gives you the option of washing either just the top or bottom basket.

NB: Drawings are not to scale - they are to assist only.
WARNING: technical specifications and product sizes can be varied by the manufacturer without notice. Cutouts for appliances should only be by physical product measurements.
