

SPECIFICATION

IN-WALL CISTERN

Model: **Low Level Mechanical Cistern**

Code: VI.200LLCC

Features: Suitable for wall faced pans only (to the floor)
Suits 150mm cavities
Mechanical actuation
Front Press or Top Press

Flush Plate: Suitable with VI.003CC Push Plate

10
Year Warranty

ENDURANCE + QUALITY + RELIABILITY

Our strategy: versatility, innovation and sophistication. Verotti in-wall world's first cistern to be made from sound-proofing plastic material. Research and development laboratories, a special plastic compound was design using a formula with the aim of reducing the noise emissions from the flush cistern. Laboratory tests show that the perceived noise from Verotti in-wall is 5 times lower compared to the most widely-used cistern on the market.
