

BLOCCS®

WATERPROOF CAST & DRESSING COVER

WWW.BLOCCS.COM

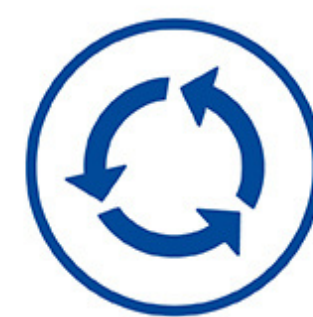

OUR STORY

Our family run UK company is a specialist rubber dipping manufacturer with over 50 years of experience in making dry suit wrist, ankle and neck seals for the marine industry.

It didn't take long before we applied this knowledge and Bloccs® was born!

ABOUT BLOCCS®

Bloccs® waterproof cast and dressing covers are fully watertight and completely submersible - allowing wearers to continue to easily swim, shower, bathe and partake in other water activities with minimal discomfort and worry.

Reusable

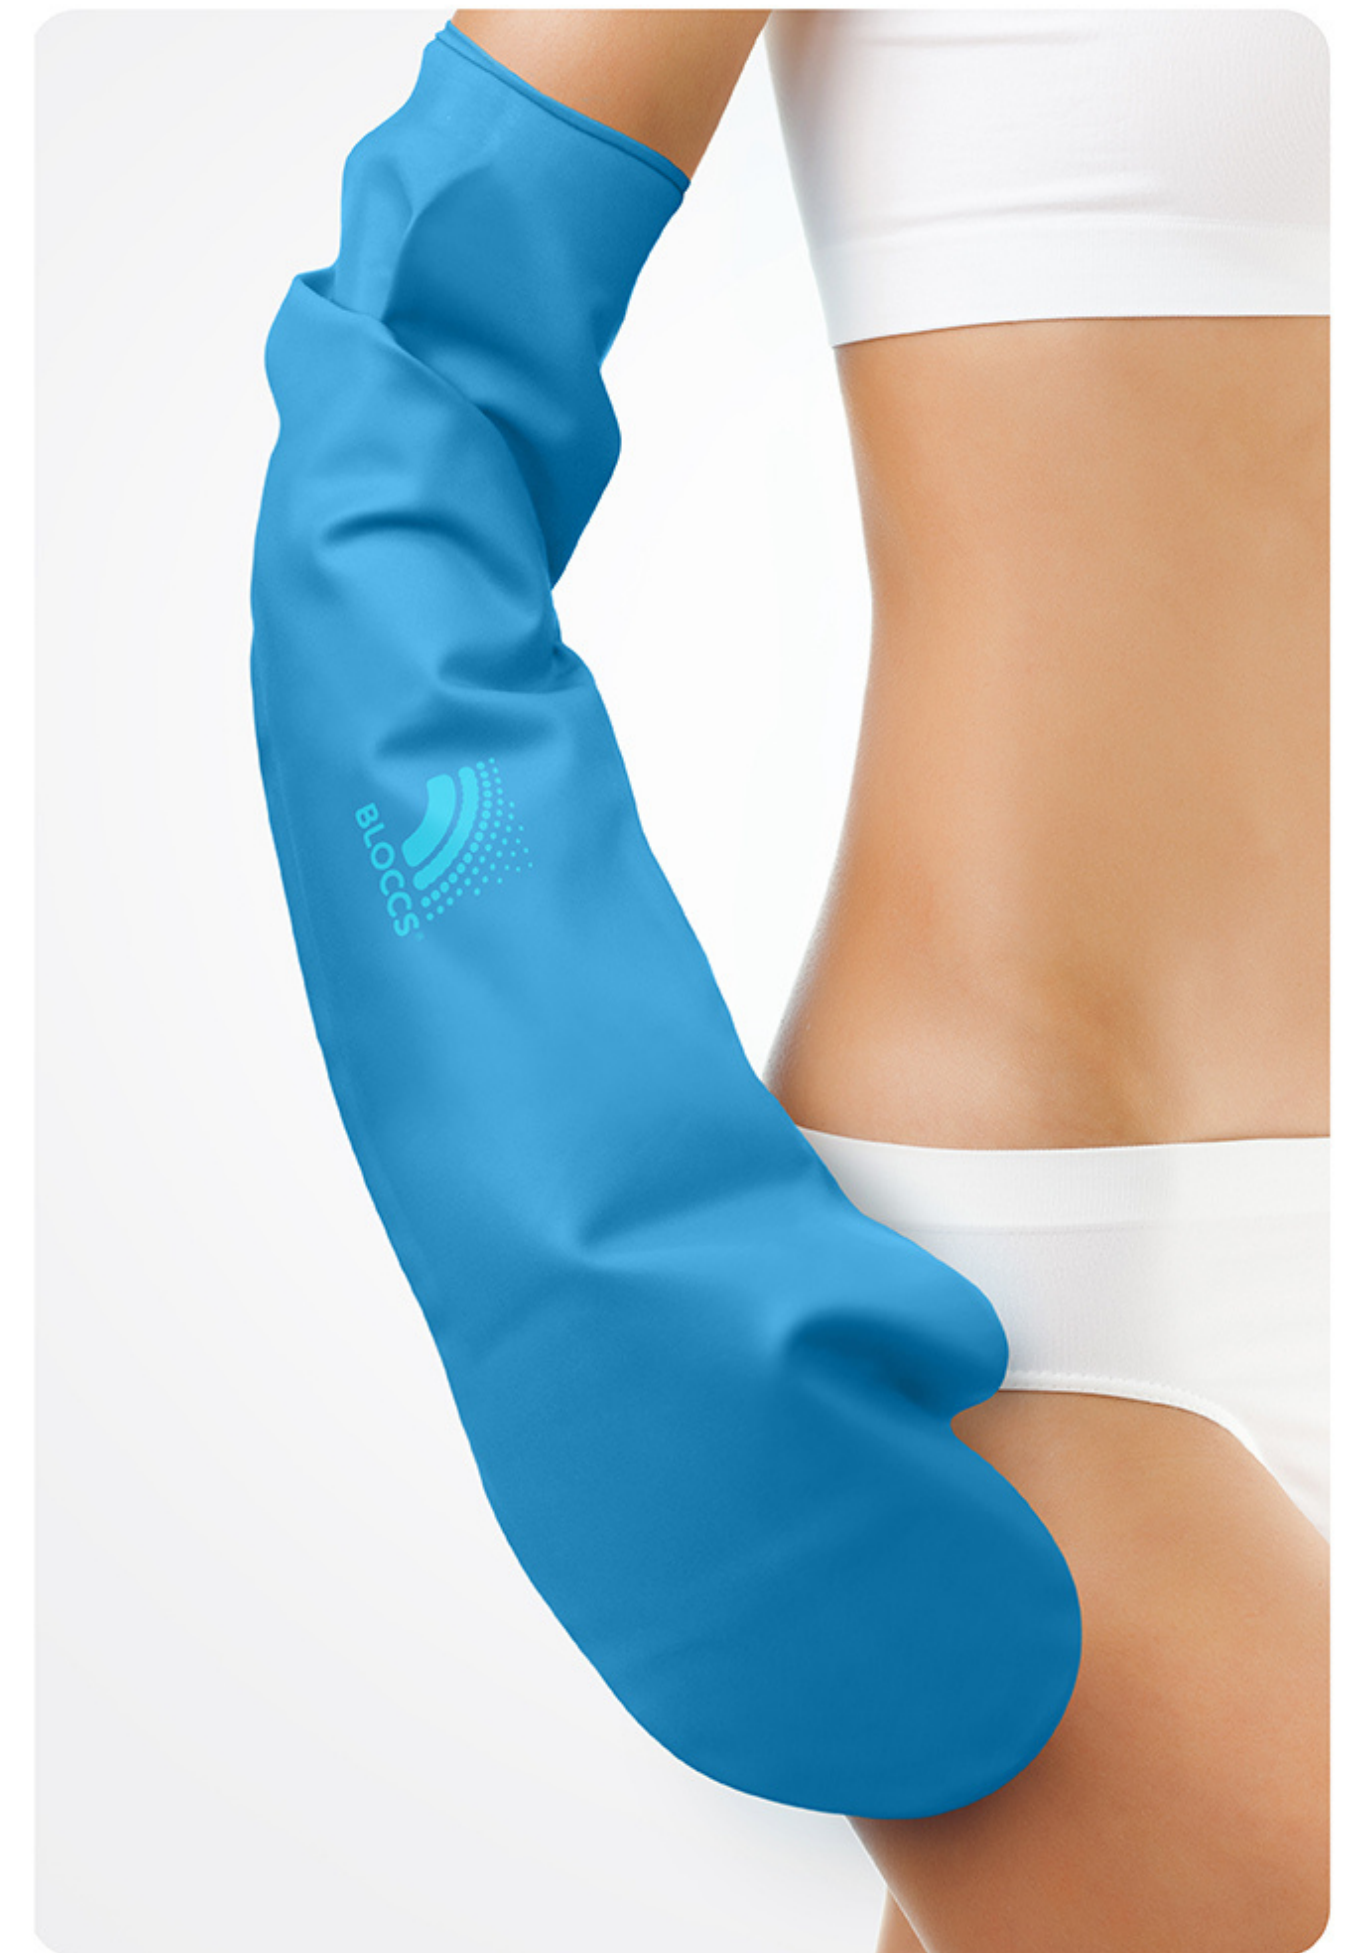

Waterproof

Flexible one size for adults

Made in Great Britain

FEATURES

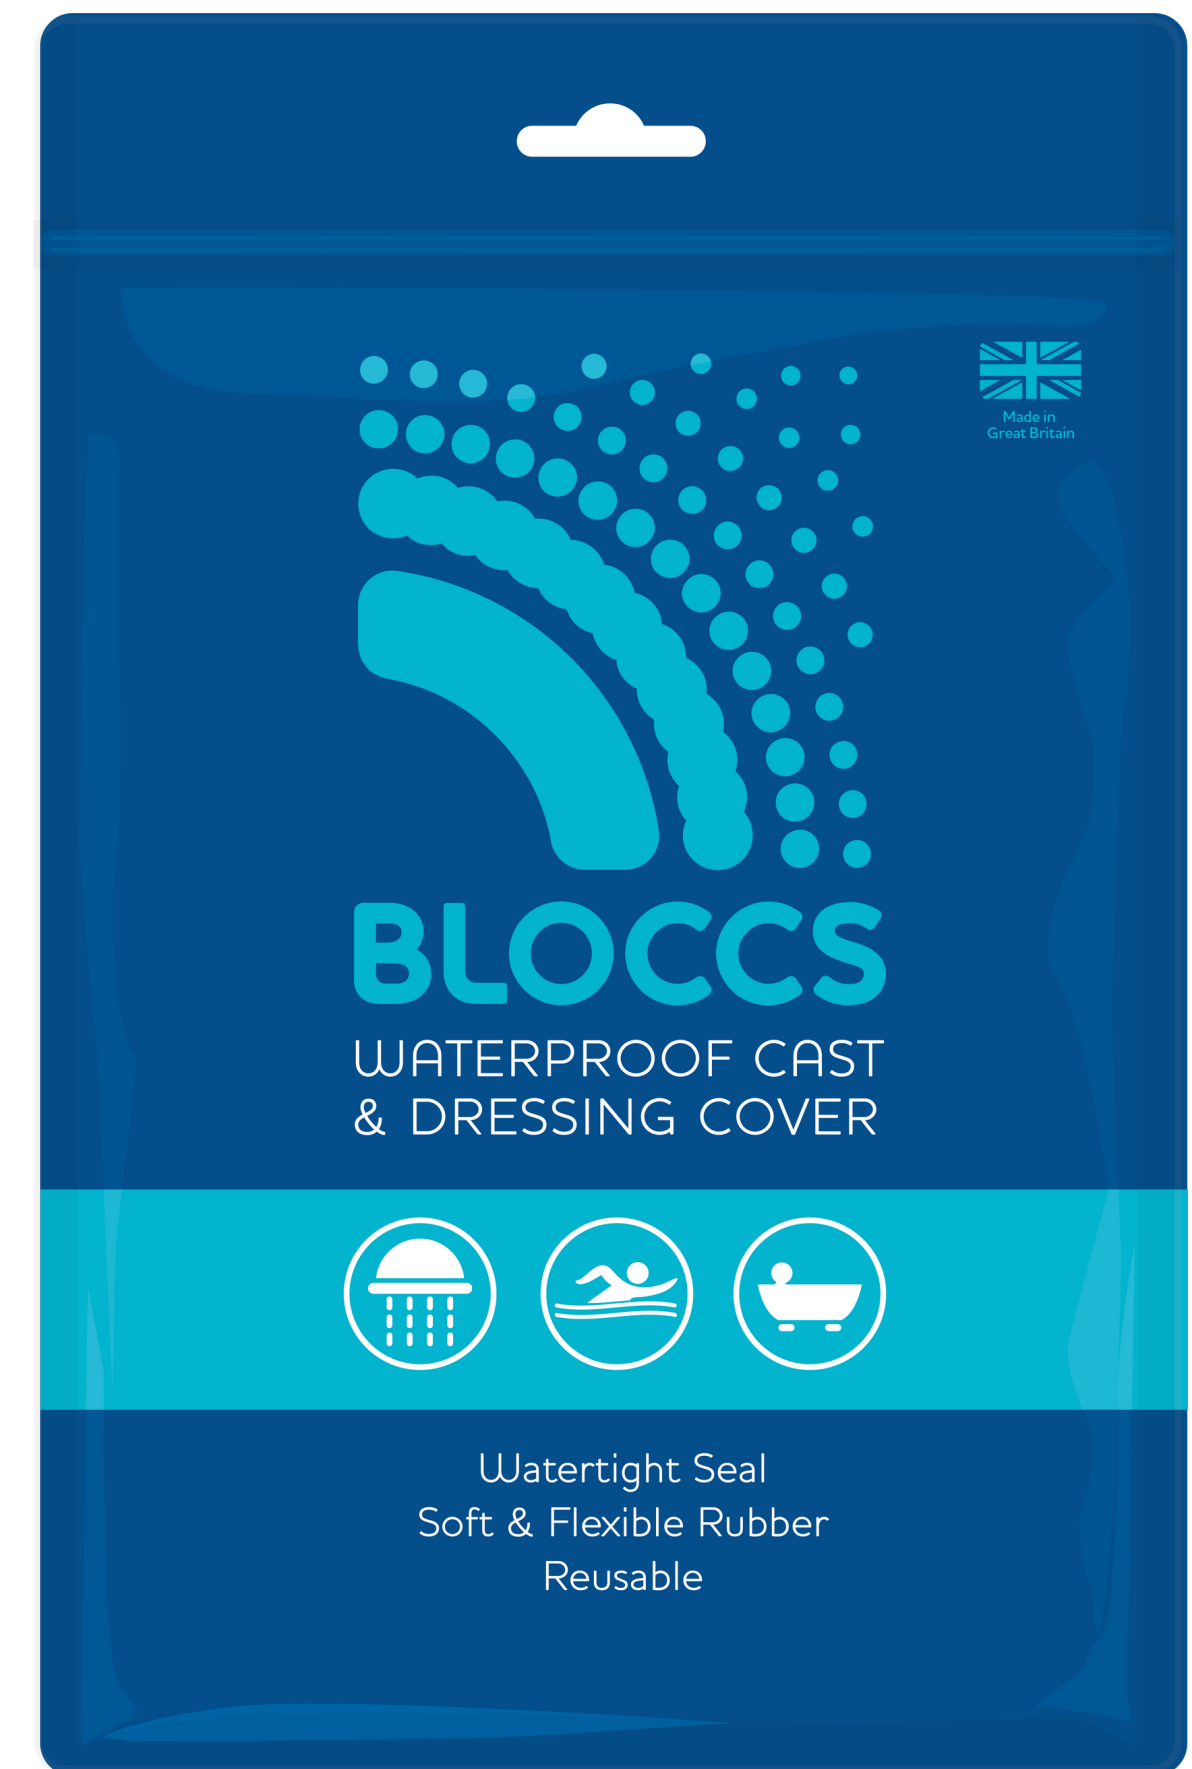

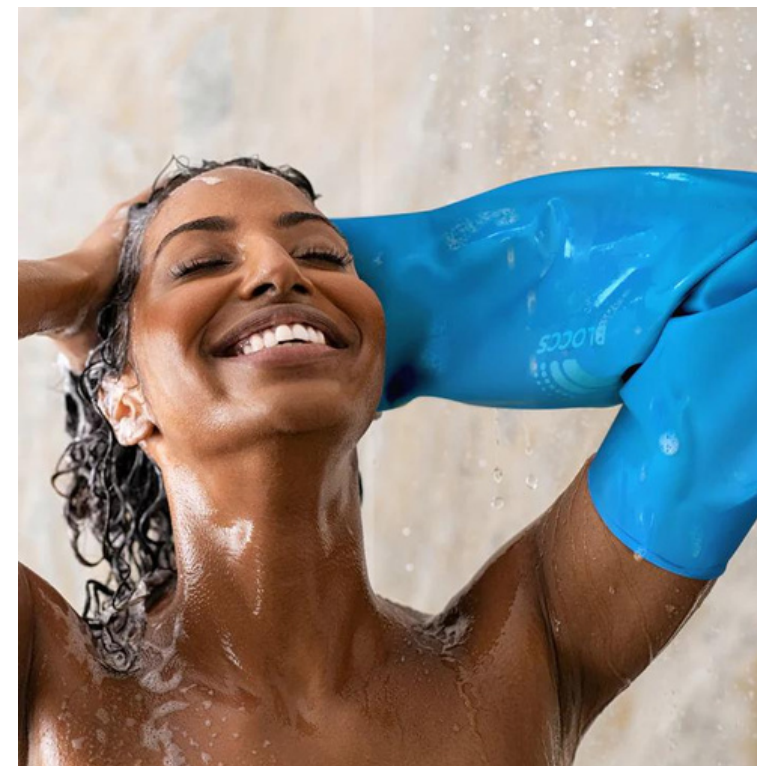

- **STYLES:** The Bloccs® range includes Arm, Leg, Knee and Elbow Covers. All of our products are designed to be soft and flexible.
- **SIZING:** We have a variety of sizes available for both adults and children. The sizing is important so that the covers are both watertight and as comfortable as possible.
- **DURABLE AND REUSABLE:** Made from high quality natural rubber, Bloccs® can withstand multiple uses without losing its effectiveness.
- **VERSATILE:** Compatible with both plaster and synthetic casts Bloccs® are ideal for limb injuries. The wearer can swim, shower, bathe and continue to take part in other water activities without discomfort or worry. It's light weight makes it perfect for holidays, beach trips and cruises enabling the wearer to have fun and make the most of their recovery time.
- **CERTIFICATION:** Bloccs® are CE, MDR, FDA compliant. The Arm, Leg and Elbow covers are also available on UK Prescription.

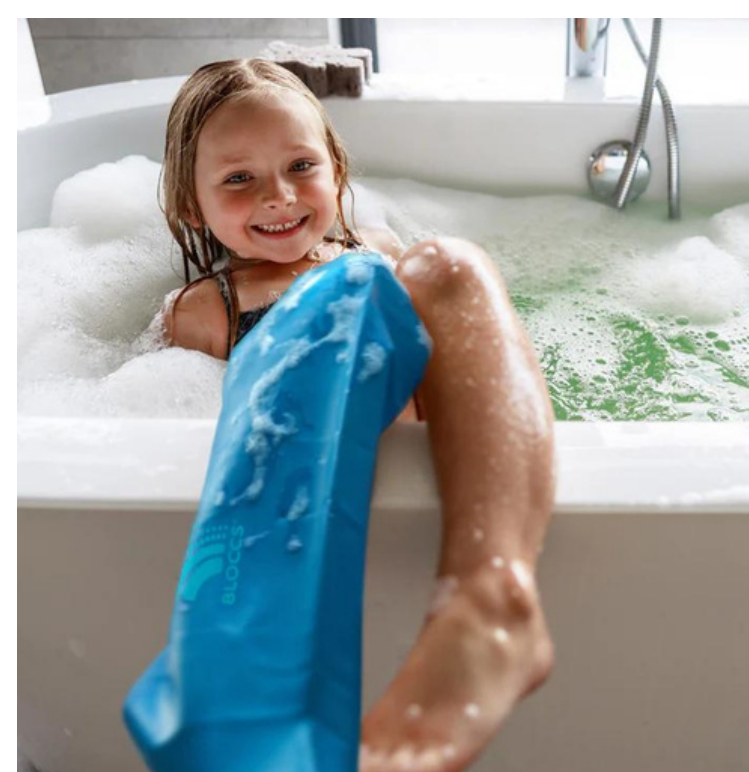

All products are MDR registered and manufactured in the UK in accordance with the current approved ISO 9001 Quality Management System standard.

"THE ABILITY TO SHOWER AGAIN. THANKS"

Does exactly what it should. Been using it for 5 weeks, and keeping my arm dry. Would recommend it."

Happy Bloccs Customer
