

## Sizing Chart For Clothes

Momzelle sizing has been tested by hundreds of women and the choice has been made easy for you. Simply take the size you are used to wearing (the shirts are made with the postpartum figure in mind). For the styles Britt, Zoe and Florence, if you hesitate between two sizes, take the smallest size.

### HOW TO MEASURE YOUR MOMZELLE CLOTHES

#### A- CHEST

Measure the widest part of the chest, make sure that the measuring tape is straight all around.

#### B- WAIST

Measure around the waist at its narrowest point.

#### C- HIPS

Stand up straight with both feet together and measure at the widest point.
