

ROARK MODERN

BAUHAUS cachepot • Black Bronze | \$3,200

Bauhaus refers to a rational functional design aesthetic based in - form follows function - a less is more approach still prevalent in design today. In designing the Bauhaus cachepot, I wanted to create a vessel that is beautiful with or without foliage.

A large modernist resin vessel of weighty proportions, finished in our signature RM collection black bronze and sealed with hand buffed European wax. Waterproof.

- Measures 16" diameter x 18" tall
- Lead time 6-8 weeks
