

# SAFETY INFORMATION

## INSTRUCTIONS

- Please read product insert provided in JellyFish box, prior to use.
- Consult SDS for proper safety and handling.
- Do Not Re-Use Can. Once Fuel-Gel is ignited, it should not be re-started.
- Use in well ventilated areas.
- Shake can well before opening.
- Using flathead screwdriver gently break lid seal. Use caution as contents may build up pressure over time. Take care to prevent accidental spills.
- Only use with JellyFish Fireplace and Fixtures designed for Fuel-Gel cans.
- Place Fuel-Gel can in designated JellyFish Fireplace or Fixture slots before lighting.
- Do not use more than four (4) cans in one fixture at the same time.
- Light using long fireplace matches or BBQ lighter.
- Never move Fuel-Gel can while flame is burning.
- Never leave burning Fuel-Gel can unattended.
- Never leave burning Fuel-Gel cans around pets or children.
- Wait at least 20-30 minutes before moving can after it has been extinguished.
- To extinguish burning can either use the tool provided with the Fireplace Fixture, or wipe lid clean and place on can using long steel BBQ tongs. USE EXTREME CARE.
- In case of emergency use, CO2 extinguisher, or baking soda to extinguish flame. DO NOT DOUSE WITH WATER.
- Each can will burn for approximately 2-3 hours.
- Each Fuel-Gel canister will provide approximately 3000 BTU/hr of heat.

## FIRST AID

- JellyFish Fuel-Gel contains isopropyl alcohol. If gel gets in to eyes or on skin it may cause irritation. Flush with running water for 15 minutes. Get medical help. If ingested, do not induce vomiting, get immediate medical help.
- See Safety Data Sheet for complete handling, and safety guidelines.

## GENERAL PRECAUTIONS

- JellyFish Fuel-Gel and vapors are flammable.
- Use extreme care as with any fire product.
- DO NOT SMOKE near Fuel-Gel.
- Keep away from heat, combustion sources, or sparks.
- In Case of Fire use CO2 Fire Extinguisher, or Baking Soda – DO NOT DOUSE WITH WATER.
- Avoid Contact with Clothing or Skin.
- Never Remove Fuel-Gel from Original Can.
- Keep Out of Reach of Children.
- Use In Well Ventilated Area with JellyFish Ventless Fixtures and Fireplaces.
- Designed for use with JellyFish Fuel-Gel Fireplace and Fixtures only.
