ABOUT

The Carmel provides your home with a wonderful realistic feeling and ambiance of real burning wood. The Carmel is an eco-friendly solution to a small wood burning fireplace. The Carmel model compliments many styles of decor and furnishings, and provides individuals with a soot-free, asthma-friendly burning fireplace. This model emulates a traditional wood burning fireplace without the mess or hassle. The Carmel requires no ventilation, and is safe for indoor and outdoor usage. This classic centerpiece will add refinement to any room, and is sure to light up any space with its beautiful iridescent flame.
