The Atlanta Hustle finished with their best regular season record in franchise history last year, earning a first-round bye in the South Division playoffs with a 10-2 record. Head Coach Tuba Benson-Jaja is back at the helm to continue building a strong Hustle culture, while 2024 All-UFA selections Brett Hulsmeyer and Justin Burnett return as primary playmakers. With a talented mix of veterans and future stars, Atlanta will look to overcome division rivals Austin and Carolina as they pursue their first Championship Weekend appearance in 2024.
