

Sweet Jalapeno Bacon

WHOO HOO! Did we come up with a winner on this one. For the bacon lover (and even those that don't) this jerky will be a sure treat. Slide a piece in your mouth and be overtaken by the sweetness. Then . . . wait for it . . . the jalapenos will add their heat and WHOO HOO you got some flavor going on! We didn't make it too hot, we want you to know you're eating bacon, but it will make a hound dog holler if he grabs a piece with more than its fair share of jalapenos.
