## FIND YOUR RING SIZE

### Method 1: Measure a ring already owned.

Print out our guide using standard A4 sized paper (210 x 297mm).

Using a ring that correctly fits the finger that you are purchasing the ring for, place it over the circles below until the inside circumference of the ring aligns with a circle.

### Method 2: Request a complimentary ring sizer from us.

We are happy to send you a free ring sizer so that you can easily measure your ring at home. Email us at [info@createdbrilliance.co.uk](mailto:info@createdbrilliance.co.uk) and we will post one in the post.
