# Our World

At Pine Tree Lane, we're committed to protecting our world and its treasured resources, by our commitment to using recycled wood, which means we keep our environmental footprint as light as possible.

We believe you can create a stylish, contemporary home with an eco-friendly twist. You don't need to compromise on design to protect our planet.

## Our Values

### QUALITY CRAFTSMANSHIP

at affordable prices

### COMPLETE CUSTOMISATION

so your furniture is unique to you

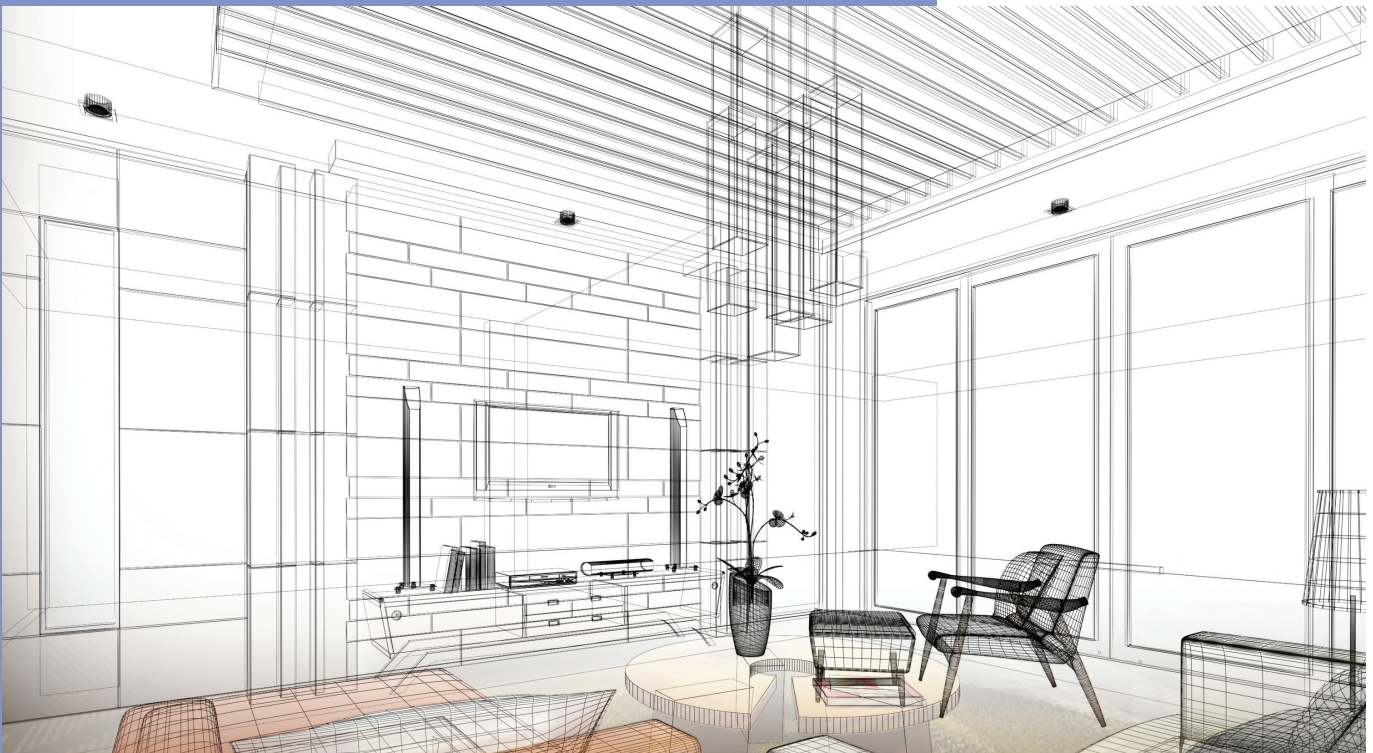

### SUSTAINABILITY

because we care about protecting our planet

# Our Process

From our in-house style and design teams to our team of quality craftsmen, we are all committed to caring about every attention to detail, passionate about professional perfection. We love people and working closely with our customers, the Pine Tree Lane way!

Our design phase involves consultation, 3D renders & drawings.

Material samples are then provided prior to production.

Our skilled carpentry team ensures furniture is seamless.

We use hot press construction methods to ensure durability.

We offer complimentary maintenance and warranty period.

## Our Workshop

Our showroom and joinery is located under one roof in Dubai Investments Park 1. The advantage of having this infrastructure is the turnaround time on our orders, the quality of our finishes and the reliability of every piece produced. Our customers are welcome to visit Pine Tree Lane's facility to gain the full experience.

# Kitchens obsessed with form and function

Our kitchens are locally manufactured with short lead times.

We use smart fittings including soft-close hinges, space optimizing drawers, & intelligent cabinetry.

Our kitchens offer a wide range of stylish handles, shutter moldings and finishes including veneer, lacquer and solid wood.

We have a skilled in house team of masons and plumbers to fix countertops & customize backsplash walls for unique products.

# OUR DOORS

At Pine Tree Lane, we manufacture pre-hung doors that meet international industry standards.

From fascinating flushed wood veneer doors to interesting panel doors, we make sure your doorway has a wow factor and sets your space apart.

Key benefits:

Popular selection of veneers and laminates in stock for fast turnaround

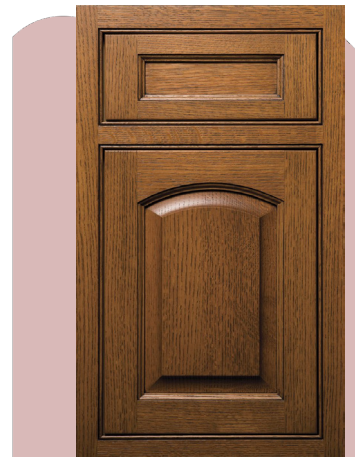

Greater durability using hot pressed construction

3 and 5 ply constructions available

Fire ratings

# OUR CABINETRY

Our cabinets are locally manufactured with passion, precision and care. We have invested in high quality European equipment, CNC routers and edge banders, and we love the precision that it allows us to achieve in the output. We offer innovative storage solutions for your home- whether its kitchen storage or around the house, you can choose from our range of fittings and finishes to customize your space your way.

# OUR WARDROBES

Walk-in or reach-in? Or perhaps sliding doors or shutters?

We custom make wardrobes to suit every requirement and of course style. Whether you're looking for solid wood veneer or glossy laminates, we offer an extensive range of finish options to suit every preference. What's more- our wardrobes are manufactured using German technology and fitted with smart solutions to give you the ultimate experience.
