Construction

There are 18 star blocks in the quilt. Each block has a star that is one print and a background that is one print.

Repeat Steps 1 through 3 to make 18 star blocks.

1. Draw diagonal lines of the back of 8-2"x 2" print squares for the star. (A) Layer one 2" square and 1-2"x 3½" background rectangle right sides together. *See diagram for placement.* Sew on the diagonal line. Trim the square ¼" from the sewn line then press to the corner to form a triangle. (B) Layer an additional 2" square on the same rectangle. *See diagram for placement.* Sew on the diagonal line. Trim the square ¼" from the sewn line then press to the corner to form a triangle. Repeat to make 4 side blocks.
