What You Will Need:

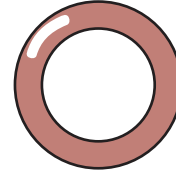

Ruler
(Print Scale)

Thread

Or

Ring

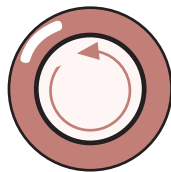

How To Use This Guide

Option 1: With string or paper.

- 1 Print at 100%, confirm size on ruler scale.
 - 2 Wrap the thread or paper around the part of the finger where you would like to wear the ring.
 - 3 Measure and match the measurement with the ring sizes below.
- * We recommend sizing up in the base ring and designer ring styles.

Option 2: With a ring

- 1 Print at 100%, confirm size on ruler scale.
 - 2 Place your ring on the circles below, using the inside edge to find the correct size.
- * We recommend sizing up in the base ring and designer ring styles.

Ten Degrees measurements are of the inner circumference.
