

Spot on, every time.

Fastest and most reliable fiber inspection.

**THE NEW
FIP-500**

FIP-500: 100% automated, self-contained fiber inspection scope.

- Industry-leading optical performance
- Fastest MPO inspection
- Quick-connect tips, no loose parts
- Pass/fail results visible from any angle

Spot on,
every time

Zero-button inspection
with auto-reset

Quick-connect tips

Smartphone-grade
touchscreen

WiFi software
updates

High storage
capacity

Long battery life

Future-proof

3-year
warranty

Connects to
smartphone

Designed for boosting efficiencies in **data centers, central offices, headends, exchanges, FTTA and FTTH.**

Save time when testing
loads of connectors

Lower cost of ownership:
default long reach and
no loose parts to lose

Full day of continuous use
without stopping to recharge
batteries or to offload results

Available kits

FIP-500 kits

1 **FIP-500 kit 1** = MPO UPC inspection: interchangeable multi-fiber optical head (OHMF), MPO/UPC SmarTip (STIP-MPO-U), soft carrying case (GP-10-071)

2 **FIP-500 kit 2** = MPO APC inspection: interchangeable multi-fiber optical head (OHMF), MPO/APC SmarTip (STIP-MPO-A), soft carrying case (GP-10-071)

3 **FIP-500 kit 3** = MPO UPC & APC inspection: interchangeable multi-fiber optical head (OHMF), MPO/UPC SmarTip (STIP-MPO-U), MPO/APC SmarTip (STIP-MPO-A), soft carrying case (GP-10-071)

**THE NEW
FIP-500**

COMPATIBLE CONNECTORS

Multi-fiber tips

- STIP-MPO-U = MPO/UPC SmarTip
- STIP-MPO-A = MPO/APC SmarTip
- STIP-OTIP-A = OptiTip/APC SmarTip
- STIP-Q0DC12-U = Q0DC-12/UPC SmarTip
- STIP-Q0DC12-A = Q0DC-12/APC SmarTip

Single-fiber tips (cord)

- STIP-U2.5-U = SmarTip for universal 2.5-mm/UPC patchcord
- STIP-U2.5-A = SmarTip for universal 2.5-mm/APC patchcord

Single-fiber tips (bulkhead)

- STIP-SC-A = SmarTip for SC/APC bulkhead connector
- STIP-OTAP-A = SmarTip for OptiTap bulkhead connector
