TO MAKE CUPCAKE DISCS

○ Roll out the white, red and yellow modelling paste 3-4 mm thick each. Cut out 5 white discs, 2 red discs and 2 yellow discs using the largest circle cutter from the FMM Geometric Set. Leave them to dry for 24 hours. **(Prepare 24 hours in advance).**

Using the FMM knife and scriber tool cut out the inner sections of the Hazard motif in yellow and the small circle in the centre. Attach to the black Hazard motif with water in the correct place. Attach this to a white cupcake disc.

Attach to the red badge with water. You will now have a yellow badge with a red edge. Cut out the hero badge in blue. Rub over the word Hero with your finger in the cutter. This will cut out the word in blue. Release the letters from the cutter and attach to your badge in the appropriate area. Attach to a white cupcake disc.
