Dear Mr. Merritt,

Please accept my sincerest gratitude for gifting your Birthday Grandstand Candle Holder for President Carter's celebration. It was the perfect addition to the festivities and truly touched my Carter Center colleagues and me.

The museum was excited to receive and use the candle holder during the birthday celebration, as seen in the enclosed photos.

Thank you for your thoughtful donation and your admiration of President Carter. I wish you continued success.

Sincerely,

A handwritten signature in blue ink that reads "Paige Alexander". The signature is fluid and cursive, with a large initial "P" and "A".
