## DON'T DODGE HODGEPODGE

Hodgepodge Hire is a Brisbane-based vintage chair, furniture and props hire business, with an ever-growing collection of beautiful items. Having scoured flea markets and vintage shops, they supply those hard-to-find pieces like rustic timber trestle tables, bench seats, vintage crockery, crystal glassware and cutlery, teacups, drink dispensers and so much more for any kind of event.

## Use Your Senses

These black tea and lychee soy candles smell just as good as they sound. Made from 100 per cent soy and hand-poured in Australia, you'll be doing yourself and the environment a favour by lighting one of these bad boys in your living room.

## Stone Home

Diamonds are a girl's best friend, even when made of concrete. These little beauties are that missing piece of styling décor your celebration needs. They're always ready to fill in an empty gap, whether it's on top of the table, or on a shelf next to a bunch of florals.
