About Pro-Drive Fasteners:

Pro-Drive Fasteners is a premier provider of top-quality products for the flooring industry.

From a one stop line of staples and nails and ever-expanding line of pneumatic tools to our new line of Orbital and Jitterbug sanders. Pro-Drive Fasteners™ is a premier provider of top-quality products for the Wholesale wood distribution channels as well as meeting the requirements with the OEM cabinet/furniture industries.

Product development is a company specialty, as is exceptional quality. In providing products to meet the demands of the industrial environment, Team Pro-Drive Fasteners traces the origins of each process--all the way back to the steel.

Just as we are involved with all aspects of our product, we're similarly committed to all aspects of the customer experience. This includes shipping policies to meet your professional needs. Pro-Drive Fasteners™ offers same-day shipping for orders received by 11am, as well as bulk or full truckload and private label pricing options.

At Pro-Drive Fasteners™, we continue to innovate the fastening market so we can be your one-stop vendor for premium fasteners and assembly solutions!

E-Z CONNECT™

BRAIDED AIR HOSE

E-Z CONNECT air hoses eliminate the need for whip hoses with straight sections.

DESCRIPTION:

- Maximum Working Pressure: 200psi.
- Wall Thickness: .075 +/- .005.
- Hose Inner Diameter: 1/4" Hose Outer Diameter: 3/8".
- Field Repairable - All Units have Reusable Fittings that Allow In-field Repairs if Necessary.
- Industrial Grade 6 Ball Couplers - Reusable Fitting.
- Excellent Cold Weather Flexibility, Temp 40°F to 140°F (-40°C to 60°C).
- High Abrasion-resistance - Smooth Finish will not Mar Surfaces .
- Extremely Kink-resistant - Oil Resistant.
- 40% To 50% Lighter than Traditional Air Hoses.

E-Z CONNECT™

FITTINGS, COUPLERS & SPLICERS

AIR-MP20M	INDUSTRIAL SIX BALL 1/4"NPT MALE	10 per bag	0.43 lbs
AIR-MIC20F	MIC series Quick Coupler INDUSTRIAL NIPPLE,BRASS,1/4" NPT FEMALE	10 per bag	2.36 lbs
