JOURNEY OF 125 YEARS

Chelsea, New York City
2009

Headquarters in Ankara, Turkey. First modern
manufacturing facility.
2002

Our 2nd and 3rd generations standing
in front of Lazzoni's first carpentry shop
1960

Traditional Blacksea Laz wooden house circa 1897
and first delivery vehicle Opel Rekord Caravan 1961
1952

We are LAZZONI and LAZZONI is much more than a furniture design house. It is a contemporary boutique of ideas, inspiration and good will that transforms spaces into homes. We acknowledge that every home is different, carrying that individual spirit and feel, unique in every one of us. This is why we put an extra emphasis on creating interiors that nurture human wellness and embody a personal sanctuary.

LUXURY HOTEL

Six Senses Bosphorus Hotel located in one of the most prestigious areas of Istanbul, Sariyer, has been designed with the exclusively manufactured products of Lazzoni!

The renovation of this glorious mansion is made delicately to stay true to its original features. The fabrics, lighting articles, and accessories are carefully selected to maintain the historical atmosphere of the place while adding contemporary details.

ZAHA HADID

New York City, USA - 2018

MODEL UNIT

An Exclusive Look Inside Zaha Hadid's First New York City Residence "It's sculpture inhabited." That's how Tiago Correia, the U.S. director of Zaha Hadid Architects describes his firm's condo building at 520 West 28th Street. "We made a building that very deliberately blurs the lines between art and architecture," he explains. "That's our way to pay tribute to the location, to Zaha's work, and to the burgeoning lifestyle in the area."

West Chin and Jennifer Post created interiors that both highlight Hadid's work and, in a seZse, soften it for everyday living. Furnished with Lazzoni Mony sectional sofa and Olivia bed.

LAZZONI HOTEL

Istanbul, TURKEY - 2015

5 STAR HOTEL

Lazzoni Hotel, with its seafront location at the coast of Golden Horn, one of the historical textures of the European side, has a unique location for those who desire to discover the city thanks to its proximity to the city's historical texture, business centers, shopping and entertainment complexes or to make business visits, meetings and explore the city.

BOUTIQUE HOTEL - 50 ROOM | RESTAURANT

Promenade Hotel located at the sweet coastal city of Bulgaria, Burgas has been designed with the products of Lazzoni! This chic hotel which is designed through meeting with Lazzoni's design process has started to host its guests with its total number of 12 rooms consisting Apartment Rooms, Deluxe Rooms and Grand Deluxe Studio Rooms and an elegant lobby designed with the products of Lazzoni.

LOUNGE RESTAURANT

Serdab Restaurant accentuates the historical texture that was brought to life with Lazzoni's designs. A light color palette that is used for main seating pieces enhances the refreshing atmosphere of the coastal view. The warmth of nature is reflected in the wooden bar design that creates an inspiring ambiance with greens and blues. A cozy character is built with comfortable armchairs, chairs, and sofas to make the guests feel at home.

RESTAURANT

Offering a peaceful haven for its valued guests, Toro Restaurant was designed with Lazzoni's custom-made pieces, accentuating a simple design. In this restaurant project, the design was created with a pleasant and welcoming space in mind. The simple atmosphere of the place is enlivened with dynamic colored chairs that blend with the stone walls, while the organic features of the space are enhanced with the natural wood details in chairs. The elegance of the restaurant is taken one step further with beige leather armchairs and bar stools.

Lusail, QATAR - 2019

OFFICE TOWER

Social facilities of Burj Alfardan which is located in the middle of Doha has been designed with the special products exclusively manufactured in the manufacturing plant of Lazzoni. Furniture gave life to the common areas, which are designed with the aim of creating a chic and modern style, with matching color transitions and tones.

MODEL UNIT

Located in the captivating city of Bodrum, Paradise Bay suites invite the brightest cerulean blues to accompany your Mediterranean summers. For this private suite, pieces were selected from Lazzoni's latest outdoor collection along with custom-made products. To accentuate the breathtaking scenery right outside, off-white and creamy hues and oak accents were used in the entire place.

Lotus series make their debut in this project with knitted wicker details. While Lotus Chair was used in the dining area in its simplest form, Lotus Lounge Chair takes on a different look in the bedroom as a cozy detail. Arte armchair was used in the living area to experience both indoors and outdoors in 360. While Tubi Table and Bent Sofa were selected for the terrace area to bring comfort to an exclusive scenery.

ST REGIS

Doha, QATAR - 2021

IN PROGRESS

Located in the prosperous city of Doha, St. Regis is designed with custom-made furniture that mirrors the essence of the city. Luxurious elements combined with eclectic styles create new experiences in every space.

IN PROGRESS - EXTENDED STAY

Inspired by the uncluttered and straightforward lifestyle of Switzerland, Lika was designed with clean lines and simple essentials in mind. Bringing a quiet design that speaks for itself.

CONCEPT
Located in the magnificent country of Balkans that is brimming with history and wonders of nature, Croatia hosts the exclusive Hilton Hotel which was designed with Lazzoni products.

RUSTIC

Timeless classics are redefined with contemporary details, creating a refined look. The new classic style is characterized by delicate shades of grey and beige, blending high-end marble countertops and gold-colored metal details in accessories.

BALMORAL

Inviting blue cabinets and pure white countertops perfectly blend with natural wood details, referencing the overall design. The island offers extra space for a sink and cabinets while defining a dining area with its cantilevered countertop.

FOREST

An extraordinary mix of materials, linearity, and harmony induce a space that is more than just a cuisine. Bold materials like jet black cabinets, stoneware countertops, monolithic wooden cabinets, and mirror detail display mastery in the curation of various mediums.
