1960*

*Traditional Blacksea Laz wooden house circa 1897
and first delivery vehicle Opel Rekord Caravan 1961
1952*

We are LAZZONI and LAZZONI is much more than a furniture design house. It is a contemporary boutique of ideas, inspiration and good will that transforms spaces into homes. We acknowledge that every home is different, carrying that individual spirit and feel, unique in every one of us. This is why we put an extra emphasis on creating interiors that nurture human wellness and embody a personal sanctuary.

MONY

Transformative design! MONY Sofa can become a lounge or a full-size bed in seconds. The unique design, featuring moveable headrests and armrests, allows for ultimate relaxation.

HR35 High Resilience Foam

Flexible polyurethane foam HR-35kg/m³ Soft (2.2 lb per cubic ft) has twice the density and durability of regular foams, creating a comfortable yet durable seating. HR35 offers sturdy, resilient support with a quicker response rate than regular memory foam.

MET

Made for comfort, adjustable headrest has six levels and performs as strong head, and neck support while the curved backrest conforms to the natural curvature of the spine.

CrossWise Metal Webbing

Invented exclusively by Lazzoni Design team, metal webbing is one of the latest methods that replace traditional electric webbing. The CrossWise webbing enhances foam quality while making it more durable and long-lasting.

MIX

The MIX Sofa offers a sleek and simple design with plush seating in modular configurations. With a low backrest and clean lines, the soft, modern profile remains neutral and inviting in any space.

HR35 High Resilience Foam

Flexible polyurethane foam HR-35kg/m³ Soft (2.2 lb per cubic ft) has twice the density and durability of regular foams, creating a comfortable yet durable seating. HR35 offers sturdy, resilient support with a quicker response rate than regular memory foam.

MILDA

Most comfortable sofa you'll ever own. Milda Sofa offers a comfortable head and neck support by utilizing adjustable backrests cushions with manual mechanisms. The mechanism also creates a deeper seat to lounge.

CrossWise Metal Webbing

Invented exclusively by Lazzoni Design team, metal webbing is one of the latest methods that replace traditional electric webbing. The CrossWise webbing enhances foam quality while making it more durable and long-lasting.

GOLA

The perfect mix of modernism and traditional living. GOLA Sofa's exposed 1st class beech wood legs combines the best of both worlds as the piping softens up the strong design elements.

Individually Wrapped Pocket Coils

Plush seat cushions feature high-density, high-quality foam with a matrix of individually wrapped coil springs, encased in a specially designed foam shell, covered by a layer of dacron. Each spring in the pocket-coil cushion moves independently, easily contouring to the shape of your body.

IKON

Visually tranquil with narrow, and cushioned arms and backs to maximize the seating area, IKON collection is perfectly crafted for comfort while maximizing seating space.

CrossWise Metal Webbing

Invented exclusively by Lazzoni Design team, metal webbing is one of the latest methods that replace traditional electric webbing. The CrossWise webbing enhances foam quality while making it more durable and long-lasting.

PANNA

Inspired by the nature, its gentle curvy profile envelops the user, as its tailored seams add an elegant structural shape. With its dynamic back cushion PANNA can be converted into a lounger.

CrossWise Metal Webbing

Invented exclusively by Lazzoni Design team, metal webbing is one of the latest methods that replace traditional electric webbing. The CrossWise webbing enhances foam quality while making it more durable and long-lasting.

BIKOM

Lazzeroni's classic design, the BIKOM modular sofa collection is a refined European interpretation of a classic design. The collection combines elegant lines with sink-in comfort and an effortless luxury. A low profile and comfortable seats create a relaxed sensibility.

CrossWise Metal Webbing

Invented exclusively by Lazzeroni Design team, metal webbing is one of the latest methods that replace traditional electric webbing. The CrossWise webbing enhances foam quality while making it more durable and long-lasting.

VETRO

Linear and plain lines of VETRO Sofa reflect its chic style whereas its wide sitting area reflects its comfort. Convert this elegant sofa into a bed in seconds with LAZZONI's exclusive mechanism.

CrossWise Metal Webbing

Invented exclusively by Lazzoni Design team, metal webbing is one of the latest methods that replace traditional electric webbing. The CrossWise webbing enhances foam quality while making it more durable and long-lasting.

KEMA

Gain freedom in your living space by removing the armrests of KEMA Sofa! You can transform your sofa into a comfortable bed within seconds.

CrossWise Metal Webbing

Invented exclusively by Lazzoni Design team, metal webbing is one of the latest methods that replace traditional electric webbing. The CrossWise webbing enhances foam quality while making it more durable and long-lasting.

BIBLIO

BIBLIO is a stylish contemporary sleeper sofa with set-up that only requires one person a few seconds. A storage area under the seat is conveniently sized for bedsheets & pillows.

CrossWise Metal Webbing

Invented exclusively by Lazzoni Design team, metal webbing is one of the latest methods that replace traditional electric webbing. The CrossWise webbing enhances foam quality while making it more durable and long-lasting.

YOXO

Presenting functionality and high comfort together, Yoxo Sofa will be the chicest and easiest solution for your guest's thanks to its bedding function through locating its back cushions backward.

CrossWise Metal Webbing
Invented exclusively by Lazzoni Design team, metal webbing is one of the latest methods that replace traditional electric webbing. The CrossWise webbing enhances foam quality while making it more durable and long-lasting.

DANTE

Thanks to its function of turning into a bed, it offers to be more than a single seat. By shining out with its handy structure for narrow and small areas, Dante Seat brings a new direction to your living areas with its structure that allows practical adjustments!

CrossWise Metal Webbing
Invented exclusively by Lazzoni Design team, metal webbing is one of the latest methods that replace traditional electric webbing. The CrossWise webbing enhances foam quality while making it more durable and long-lasting.

TRANSITIONAL COLLECTION

We interpreted classical Chester again! MODERN CHESTER, which stays loyal to its origins thanks to its quilted details and solid wood legs, now has a new form suitable for modern living spaces with its thinned armrests, backside and base.

HR35 High Resilience Foam

Flexible polyurethane foam HR-35kg/m³ Soft (2.2 lb per cubic ft) has twice the density and durability of regular foams, creating a comfortable yet durable seating. HR35 offers sturdy, resilient support with a quicker response rate than regular memory foam.

MODERN CHESTER & LUNA

CATELLO & HAREM

OTTO

While maintaining its unique classical style thanks to quilted details of its back cushion, Otto Sofa has a modern ambiance with its curved arms and lean lines.

HR35 High Resilience Foam

Flexible polyurethane foam HR-35kg/m³ Soft (2.2 lb per cubic ft) has twice the density and durability of regular foams, creating a comfortable yet durable seating. HR35 offers sturdy, resilient support with a quicker response rate than regular memory foam.

ENA

Designed for heightened comfort with the sheltered curved back that hints of a light embrace, the ENA will quickly become a preferred piece in your living area.

LANDE

Subtle stitching and the curved silhouette of the Lande, pay homage to retro design; while the high-back, slim structure, and swivel-base celebrate modern design and sophistication.

ARTE

Arte Armchair's rounded lines will enrich the contemporary design while delivering the ultimate comfort. Arte Armchair will be a great addition to your room.

EVA

With its renewed and softened lines and extra-durable inner structure, EVA Armchair offers you versatility for your living area arrangements.

ADA-360

The Ada 360 Armchair is the premium choice for those whose priority is comfort. Its elegant-modern structure creates a unique style that easily integrates into any living area. Its swivel-base will celebrate a modern design with sophistication.

RELAX ALONE

With its supportive and ergonomic cushions, Relax Armchair will provide an elevated comfort and nurturing addition to your living space.

ALONE

Simple, elegant and chic... While Alone Armchair's curved back offers a lasting solution, its clean lines add elegance to your room.

TOLINA-360

TOLINA 360 Armchair builds on the classic design of the TOLINA Armchair utilizing the fabric details and warm wood tones to cover the metal legs, creating a rich, holistic appearance. Its functional, rotatable legs allow you to turn in any direction without moving, perfect for coordinating your living space.

TWICE TRIO

With its ideal depth and width, the three-seater Twice Armchair will be a perfect solution for narrow spaces! The modernized traditional look of it will create harmony with the other furniture in your living room.

TWICE

Twice Armchair's elegant curves are engineered with comfort to be a lasting addition to your home. Designed with premium style details such as piping and angled legs to deliver elegant simplicity.

TOLINA

Large, comfortable, and functional..Every detail of its graceful design provides a chic appearance to the TOLINA Armchair. The warm wood tones of this chair, coupled with a classic fabric design, creates a perfect harmony with the other furniture in your living room.

FLY

With its elegant wooden legs supporting its perfect design and surface options that suits most to your living space, FLY Table will be the star of your home with its aesthetic stand

TILIA

TILIA is designed for modern living spaces with its both elegant and durable metal legs. Thanks to its different size options, you can select the most suitable alternative for your living space and you can either prefer its circular version for narrow spaces or rectangle version for wide and spacious areas.

RAENA

You can either select expandable version of RAENA Table, which will be in harmony with other furnitures of your living space thanks to its chic style, and use it for crowded nights with your loved ones or select the fixed version and have a practical solution for narrow and small spaces

TERRA

While accompanying to crowded environments with its expandable version, TERRA Table also offers chic solutions for narrow spaces with its fixed version. TERRA, which will easily adopt to your living space with its surface alternatives, is the best choice for a pleasant dinner or a nice breakfast.

PIETRA

Pietra Table provides durability and aesthetic appearance in combination! While allowing you to create the most pleasant compositions in your living space with its surface alternatives, it also does not compromise from its durable structure that defies the years.

TOLINA

Providing a comfortable sitting at the moment you sit by grasping your back and lumbar, Tolina Chair is designed as a masterpiece defying years thanks to its durable structure.

NORA SLIM

With its modern design and novel style, Nora Chair gets ready to enrich your living space.

Slim Chair with durable internal structure, in which plain lines take the front, is getting ready to accompany your dining tables with its pleasant seat.

ARMADA

You can use a narrow seat version of Armada Chair, the seat of which is enriched with two alternatives, for your dining tables while using the wide seat version as an armchair for your living space.

OCEAN

While making life easy for you with its wide internal volume, OCEAN Sideboard makes an addition to your home's unique texture with its various surface alternatives. You can add depth to your living space and complete your decoration by placing a mirror on this sideboard.

REFLECTIVE

REFLECTIVE, which we designed by being inspired from the innovations of modern age, does not only provide a wide storage area, but will also complement the visual integrity that you look for in your living space with its chic structure presented by its sliding door.

WALL UNITS

LAZZONI modular TV Units are easy to combine as you wish and can be designed according to your needs. All TV units have color and texture options suitable for your decoration and add a stylish touch to your home

BOOKCASE

Lazzeroni modular TV Units are easy to combine as you wish and can be designed according to your needs. All TV units have color and texture options suitable for your decoration and add a stylish touch to your home.

HEXA

Entirely representing modern design, HEXA Bed creates an innovative ambiance in your bedroom with its geometric headboard and perfect workmanship. In addition to the bed base offering a wide storage area, this bed also adds dynamism to your bedroom with its ambient lights.

ISTANBUL

ISTANBUL Bed provides a chic style with a balanced headboard that transforms your sleeping area.

DOUBLE

DOUBLE Bed, the perfect harmony of wood and fabric, will meet both your decorative preferences and your storage area requirements with its options with and without bed base and sliced and flat upholstered headboard alternatives.

GEMA

In addition to a pleasant sleep, GEMA Bed does also provide head-neck support with its dynamic mechanism manufactured exclusively for LAZZONI.

TUTA

With its clean lines and chic style, TUTA Bed brings a natural feel to your sleeping area. This natural curved headboard is complemented with built in LED reading lights. TUTA comes in various options with and without the storage base.

TREVO

TREVO Bed does not only offer a comfortable sleep, but also a pleasant sitting to relive the tiredness of your day by laying down thanks to the cushions on its headboard.

MONNO

With its clean lines and chic style, TUTA Bed brings a natural feel to your sleeping area. This natural curved headboard is complemented with built in LED reading lights. TUTA comes in various options with and without the storage base.

COCOLAT

Cocolat mattress is designed with a 5.5" latex and a 2.4" coconut fiber. It can be used double-sided where one side is firm and the other side is medium-firm. Coconut fiber is preferred as a filling material in mattresses for its moisture-free and equal pressure distribution feature. It is a material that provides hardness and flexibility to the mattress.

MATRESS

WellMatt is built with a completely natural composition for the most comfortable and durable mattresses. Thanks to its flexible structure, it supports your spine by applying pressure to each part of your body offering healthy and quality sleep for many years without deformation.

SUITE

Suite mattress is layered with a 2" Visco upper layer, a 2.4" latex interlayer, and a 4.7" supporting sponge at the bottom. This model is medium-hard, springless, single-sided.

ATIGO

Designed with pocket spring, Atigo mattress is supported with wool, cotton, and 4.4lb of horsehair and can be used double-sided. Natural horsehair is a top-quality mattress filling that keeps the mattress ventilated thanks to the nature of horsehair fibers, no matter how much load it bears. The mattress is firmer compared to the non-spring models.

STONE

Stone Dresser, which has both bed base and metal leg options, will create a difference in your bedroom and step forth with its chic stand.

PIANO

Piano Nightstand, which has a modern soul, becomes distinct with its decorative handle. In addition to its wide storage area, it also helps you to create a chic combination with dressers within Lazzoni product range.

LIVIO

We keep it simple when it comes to function and design. With its generous storage space and soft-close mechanism, Livio Nightstand will be the perfect companion for your bed. The light metal structure of the legs creates a light, modern appearance while leaving room for easy cleaning.

STONE

Elegant and chic... Stone Nightstand adds a new ambiance to your living space with its style while being your biggest assistance at your bedside with its storage area.

PIANO

Piano Nightstand, which has a modern soul, becomes distinct with its decorative handle. In addition to its wide storage area, it also helps you to create a chic combination with dressers within the Lazzoni product range.

OCEAN

Ocean Nightstand, which will be differentiated in your living space with its wide drawer and various surface alternatives, is completed with the dressers in the Lazzoni product range and brings chicness to your bedroom.
