

A Rent-To-Own Program that puts customers *first!*

We know that a quality instrument can make all the difference in a student's experience. Our rental fleet is made up of trusted brands that we've spent years curating alongside music educators throughout the greater Ohio region. **Every instrument**, new or used, is shop adjusted and play tested by experienced technicians and players before it gets to you. We're confident that an instrument from Woodsy's Music will make all the difference for you and your student!

All the accessories, all in one place

Every instrument uses its own unique set of accessories, and each rental package includes a few basic items to get started. We take great care in stocking a variety of quality options in all price ranges; **just be sure to ask your teacher what they prefer you to have!** We're confident our sales staff can assist you in checking off all the boxes on your supply list!

ADP = Worry Free!

Our **Accidental Damage Plan (ADP)** is available as an add-on for every instrument we rent. Accidental damage happens... we get it! Have some peace of mind over your investment and let our seasoned repair techs handle the bumps in the road. All instruments will need periodic maintenance, and customers who choose this plan will also have access to a list of services they can get at no charge during the life of their contract. Ask your salesperson for more information!

Viola (all sizes)	\$26	\$5
Cello (all sizes)	\$36	\$7
Bass (all sizes)	\$60	\$10

*About Nearly New Instruments:

These instruments are anything that was rented as new and returned to us in excellent condition. Often these instruments are used by local universities, teachers or other professionals for short term purposes. They are appropriately depreciated once a technician does final preparatory work on them.

How it works:

A major credit card and an Ohio Driver's License **are required** to complete the lease-purchase agreement.

All fees (base price + ADP + Sales Tax) for the first month AND a security deposit equal to the same amount are due at the time of application.

Applications can take several business days to process during our busy season. At the time of processing, we'll gather your accessories, assign the instrument to your account, and notify you that the instrument is either ready for pickup, or prepped for delivery to school. Your first payment due date will be calculated 30 days from the **contract processing date**.

Each monthly payment is made to the card on file as an auto-debit transaction.

The Lease term is a 3-month minimum/36-month maximum commitment. After 36 months, the balance of the instrument (if any) must be paid, or the instrument must be returned.

All instruments are available with an option to buy!

For full-size instruments, **100% of all monthly rental payments** (less tax and optional ADP fees) will be applied to the purchase of the instrument if purchased within the lease term.

For undersized instruments, 75% of all monthly rental payments (less tax and optional ADP fees) will be applied to the purchase of the full-sized instrument if purchased within the lease term. In addition, 75% of all monthly rental payments will be applied as equity when a size-up occurs to the next instrument.

An instrument may be returned any time after the 3-month minimum period. Upon return of the instrument, your deposit will be refunded to you so long as your account is in good standing and instrument shows normal wear and tear.

When leasing a rental return (used) instrument, you have the option of trading up to a new instrument of the same make and model within the first 6 months of the lease.

Various discount structures are available for early purchases of leased instruments. Customers who have remained current throughout their lease term can take advantage of these discounts. Please contact us anytime for your discounted purchase options!
