# N'HANCE™ HAIR FIBERS

## INSTRUCTIONAL MANUAL

### PURPOSE

The N'Hance™ Hair Fibers were designed to diminish the appearance of patchy, balding areas within the beard or hair, by filling in with a keratin based protein. Blends flawlessly with existing hair, instantly making it fuller and thicker looking.

### Package Contains:

- 1 Hair Fibers
- 1 Instructional Manual

### TO USE WITHOUT AN

#### APPLICATOR PUMP:

Twist cap off. Remove sticky shield to open product. Lightly shake fibers onto the area of hair where you are applying the product. Technique is not suitable for beard application.

### TO USE WITH APPLICATOR PUMP:

Twist to take cap off. Remove sticky shield to open the product. Remove top piece (with the dotted holes) by twisting and pulling off. Twist the applicator pump onto the N'Hance™ Hair Fibers bottle. Once attached, press applicator pump down to begin use. Ideal technique for beard application and lines/edge application.

### RECOMMENDED USE:

After applying the N'Hance™ Hold Spray onto the desired location of the Hair Fibers application, bend the application card (optional) to help create desired shape. Push the application pump down to apply onto the desired area. Keep pressing the pump until desired area is filled in. Moving lightly across the area of application will help create a more realistic look. Do not press and hold in same place.
