2136QXPA SERIES
1/2" QUIET IMPACT WRENCH

GET JOBS DONE AT THE RIGHT VALUE

2136QXPA 1/2" Quiet Impact Wrench

Combining more power than needed with an incredible level of comfort into an affordable design, here is the new Ingersoll Rand 2136QXPA 1/2" Impact Wrench. Whether it is for general industry repair or automotive maintenance, the 2136QXPA will deliver all the power needed to complete the most critical tasks while taking care of your ears and reducing fatigue. This is the recipe for increasing productivity without punishing your wallet.

TACKLE THE JOB WITH SUFFICIENT POWER

Conquer the toughest bolts with 1500 Nm of nut-busting torque. All powered by Ingersoll Rand's finely tuned motor and twin-hammer impact mechanism.

Push-button design for one-hand reverse function.

DON'T PUNISH YOUR WALLET

Built on the foundation of the 2135, this new impact wrench will deliver a sufficient level of performance at a cost that will preserve your wallet.

WORK COMFORTABLY

At only 1.8 kg, it is as light as it is powerful, so your hand tires less, letting you get more work done. Integrating quiet technology, it will also protect your ears from air exhaust noises.
