

## TECHNICAL SHEET

Manubric offers products to update your room with a chic industrial touch and to add character to the interior of your home or business.

Faithful detailed reproduction of weathered bricks providing a natural appearance, easy application, can be installed on any surface without structural modifications unlike real brick or stone.

Each brick has a unique mold that captures a faithful detailed reproduction of weathered bricks providing a natural appearance.

They are also ultralight, fire resistant, and paintable. Plaster based product.

For indoor use only.
