

FIRE RETARDANT TB-117

SOFTY

STAIN RESISTANT

COMPOSITION	100% PL
WIDTH	140 cm
THICKNESS	410± 5% gr/mq
MARTINDALE (ISO 12947-2)	55.000
RESISTANCE TO PILLING (ISO 12945-2)	5
FASTNESS TO LIGHT (ISO 105-B02)	3/4
COLOUR FASTNESS TO RUBBING	Dry: 4/5 Wet: 4
COLOUR FASTNESS TO WASHING	4/5
FIRE RETARDANT	California TB117

The data shown in the technical data sheet are indicative and in good faith, we reserve the right to make changes at any time in order to improve our products. The use of the product must be evaluated according to the final use, we will not be responsible for improper use. The colour shown in the technical data sheet might slightly vary then the actual fabric colour. The colour can undergo slight variations according to the different batches.

Special fabric production technology allows any stain to be removed using just water, making Softy fabric easy to maintain and eco friendly.

INSTRUCTIONS FOR REMOVAL OF THE MOST COMMON STAINS

1. Pour the water directly on the surface to be cleaned or use a wet cloth.
2. Treat the stain by rubbing with circular movements until completely removed.
3. For resistant stains repeat using the rinsed cloth.

Do not use aggressive detergents, stain removers or degreasers as they could damage the fabric.

A) To remove stains from wine, sugary drinks, alcohol, liqueurs, beer, tea, coffee, simply use a damp cloth.

B) To remove ballpoint pen, chewing gum, resin, chocolate, candy: rub the stain with a cloth soaked in non-coloured 90% ethyl alcohol.

C) For grease, oil, cosmetics: use the foam of a neutral soap, then remove the soap with a damp cloth.
