## MEIR COLLECTION

Ultra-premium and timeless in design, our collections will transform your home with elevated style, innovation and functionality.

Encompassing a range of fixtures and fittings available in luxurious colours, each one crafted using superior materials and quality components, formed for your bathroom, kitchen, laundry and powder room.

### Matte Black

Subtle yet elegant, our signature Matte Black finish pushes the boundaries of luxury tapware. Exuding sleek structure and elegance, the finish subtly accentuates natural textures like marble and timber.

### Tiger Bronze

A nuanced finish created from a brushed black undercoating adorned in gold, providing a glorious midas touch. Harness the power of precious metal motifs to highlight both modern pastel palettes and more classic colour schemes.

### Champagne

Set the benchmark for stylish living with a finish that exudes a sense of fluidity and versatility. The effervescence of rose-gold brings a new luxury to brass and the result is brilliant. Pair Champagne with pale timber, earthy tiling and an abundance of natural light for maximum impact.

 Sample discs and other flat surfaces.

 Lighting and reflection in the installation location.

 Product to product due to different shapes.

## LAVELLO BY MEIR

Handcrafted with precision, Lavello sinks are unparalleled in quality and design. With three unique finishes to choose from including Gunmetal Black, Brushed Bronze Gold, and Brushed Nickel, making a splash never looked so good.

15 YEAR  
WARRANTY

# THE LAVELLO DIFFERENCE

---

We pride ourselves on quality; and like all genuine Meir products, Lavello kitchen sinks are Australian designed, and hand made to precision. Our 1.5mm thick stainless-steel kitchen sinks set us apart from the competition. As the global leaders, we're so confident of the craftsmanship of our kitchen sinks, we include a minimum 15-year warranty. Browse our premium, architectural kitchen sinks now, and find a matching kitchen mixer to complete your luxury kitchen.

## MARKET LEADING PERFORMANCE

World leading nano coat technology is 4x more durable than PVD. Making Lavello the best performing sink on the market.

## UNIQUE FINISH

Lab applied nano coat technology provides character and colour dimension for a diamond inspired finish that's unique to Meir.

## NOISE RESISTANT

Designed with the largest and best performing sound pads, the Lavello sink features pads on all surfaces, so sound doesn't travel through the house.

## NO IMPERFECTIONS

World leading manufacturing process ensures a perfectly level product, which prevents a build up of grime and bacteria underneath the surface.

## SUPERIOR MATERIAL

Constructed beyond industry standards, the superior thickness and performance of the steel ensures the product isn't compromised with regular use.

## COMPLEMENTARY COLOURS

The range of Lavello sinks pairs well with Meir tapware and pop-up wastes. Offering an overall complementary colour pairing with slight variations to break uniformity and give added character to your design.
