

NOVOHAUS

TECHNICAL SPECIFICATIONS

NOVOEL2B

PRODUCT DESCRIPTION

The **NOVEL2B** model is a sleek, automatic, motorized-lift power point featuring Australian power sockets, USB A and USB C ports, and a wireless charging surface. It's ideal for use at home, in the kitchen, or in the office. This unit is equipped with an electric motor that enables it to extend or retract with a simple double-tap on the lid's button. To operate, quickly double-tap the top button and wait for one second to either open or close the unit. This double-tap mechanism ensures that the unit doesn't accidentally activate while you're placing or removing your mobile device for charging.
