

GLASS RENOVATOR

Glass Renovating Liquid

Our highly active, specially formulated glass renovating detergent is for use in automatic glass washing machines to clean and restore the appearance of frequently used drinking glasses that are used in pubs, restaurants and hotels. Glass Renovator safely removes bloom from glassware, leaving a clean, clear finish.

- For use in all types of automatic glass wash machines
- Cleans and restores the look of glassware and leaves a clear finish
- Can also be used to deodorise the glass washing machinery
- Formulated for the professional use in pubs, restaurants, hotels and commercial kitchens

DIRECTIONS

DEODORISING & CLEANING ENCLOSED GLASS WASHING MACHINES

Pour 200ml -1L of glass liquid renovator from a plastic measuring jug into the enclosed glass washing machine and run at an approximately 60 degree wash cycle.

DIRECTIONS

RENOVATING DRINKING GLASSES

Use at a 1% dilution through the glass-washing machine at approximately 60 degrees. Pour 100ml of glass renovator into a plastic measuring jug and pour into the glass washing machine before the wash cycle. Alternatively, feed through the dishwasher dispenser for a day to renovate the appearance of the glasses.

PACKAGING

Order Code: AP257/GR

Pack Size: 2 x 5L

STORAGE

Store in the original container, in cool dry conditions away from direct sunlight. Keep out of the reach of children. Protect from extreme temperatures.
