HEALTH & SAFETY SHEET TOTAL WASHROOM CLEANER RTU

1. Identification of Substance or Preparation Product Code: XTWC

Product Name: TOTAL WASHROOM CLEANER RTU

Company Name: Bio-Productions Ltd. Inc. Stapro 72 Victoria Road, Burgess Hill, West Sussex RH15 9LZ Tel No: 01444 244000 / Fax No: 01444 244999

2. Composition / Inform	mation on Ir	ngredients		
Hazardous Ingredient(s):	CAS NO:	%w/w:	Symbol:	R Phrases
Alkylamine dicarboxylate	90170-43-7	< 2.5	Xi	R36
Fatty alcohol ethoxylate	68439-46-3	< 2.5	Xn	R22, 41
Trisodium nitrolotriactate	5064-31-3	< 2.5	Xi	R36/38
Alkyldimethyl benzyl ammonium chloride	68989-00-4	< 2.5	C, N	R22, 34, 50
Non Hazardous Ingredients:				
Monomothyl others of disconvious dysed	24500 04 9			

Monomethyl ethers of dipropylene glycol 34590-94-8

3. Hazards Identification

NOT CLASSIFIED AS HAZARDOUS

4. First Aid Measures (Symptoms)

Inhalation Mist may cause irritation Skin Contact May cause irritation Ingestion May cause irritation to the mouth, throat and digestive tract Additional Information Additional Information 4. First Aid Measures (Actions) Inhalation: Remove from exposure. Keep ware and at rest. Obtain medical attention if ill effects occur Skin Contact: Immediately remove all contaminated clothing. Wash skin with water. Seek medical advice if signs of defatting occur Eye Contact: In case of contact, rinse immediately with plenty of water for at least 10-15 minutes. Obtain medical attention if irritation persists Ingestion: Do not give anything by mouth to an unconscious person. Wash out mouth with water and give copious amounts of water to drink. Do not induce vormiting. Obtain medical attention Additional Information: Always launder contaminated clothing before re-use 5. Fire Fighting Methods Extinguishing Product inflammable Media: Water spray, foam, dry powder, sand or CO2 Fire Fighting Full protective equipment including suitable respiratory protection 6. Accidental Release Measures Caution: Spillages could prove slippery Absorb large spillage with sand or absorbent Transfer to a suitable container for disposal		
Eye Contact Ingestion May cause irritation May cause irritation to the mouth, throat and digestive tract Additional Information 4. First Aid Measures (Actions) Inhalation: Remove from exposure. Keep ware and at rest. Obtain medical attention if ill effects occur Skin Contact: Immediately remove all contaminated clothing. Wash skin with water. Seek medical advice if signs of defatting occur Eye Contact: In case of contact, rinse immediately with plenty of water for at least 10-15 minutes. Obtain medical attention if irritation persists Ingestion: Do not give anything by mouth to an unconscious person. Wash out mouth with water and give copious amounts of water to drink. Do not induce vomiting. Obtain medical attention Additional Information: Always launder contaminated clothing before re-use 5. Fire Fighting Methods Extinguishing Media: Product inflammable Water spray, foam, dry powder, sand or CO ₂ Fire Fighting Full protective equipment including suitable respiratory protection 6. Accidental Release Measures Caution: Spillages could prove slippery Absorb large spillage with sand or absorbent Transfer to a suitable container for disposal Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling: Avoid eye contact Storage:	Inhalation	Mist may cause irritation
Ingestion May cause irritation to the mouth, throat and digestive tract Additional Information Information 4. First Aid Measures (Actions) Inhalation: Remove from exposure. Keep ware and at rest. Obtain medical attention if ill effects occur Skin Contact: Immediately remove all contaminated clothing. Wash skin with water. Seek medical advice if signs of defating occur Eye Contact: In case of contact, rinse immediately with plenty of water for at least 10-15 minutes. Obtain medical attention if irritation persists Ingestion: Do not give anything by mouth to an unconscious person. Wash out mouth with water and give copious amounts of water to drink. Do not induce vomiting. Obtain medical attention Additional Information: Always launder contaminated clothing before re-use 5. Fire Fighting Methods Extinguishing Product inflammable Media: Water spray, foam, dry powder, sand or CO2 Fire Fighting Full protective equipment including suitable respiratory protection 6. Accidental Release Measures Caution: Spillages could prove slippery Absorb large spillage with sand or absorbent Transfer to a suitable container for disposal Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling: Avoid eye contact Storage:	Skin Contact	May cause irritation
Additional Information 4. First Aid Measures (Actions) Inhalation: Remove from exposure. Keep ware and at rest. Obtain medical attention if ill effects occur Skin Contact: Immediately remove all contaminated clothing. Wash skin with water. Seek medical advice if signs of defatting occur Eye Contact: In case of contact, rinse immediately with plenty of water for at least 10-15 minutes. Obtain medical attention if irritation persists Ingestion: Do not give anything by mouth to an unconscious person. Wash out mouth with water and give copious amounts of water to drink. Do not induce vomiting. Obtain medical attention Additional Information: Always launder contaminated clothing before re-use 5. Fire Fighting Methods Extinguishing Protective: Product inflammable Water spray, foam, dry powder, sand or CO ₂ Fire Fighting Protective: Full protective equipment including suitable respiratory protection 6. Accidental Release Measures Caution: Spillages could prove slippery Absorb large spillage with sand or absorbent Transfer to a suitable container for disposal Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling & Storage Handling: Avoid eye contact Keep in original containers Keep tightly closed when not in use <td>Eye Contact</td> <td>May cause irritation</td>	Eye Contact	May cause irritation
Additional Information 4. First Aid Measures (Actions) Inhalation: Remove from exposure. Keep ware and at rest. Obtain medical attention if ill effects occur Skin Contact: Immediately remove all contaminated clothing. Wash skin with water. Seek medical advice if signs of defatting occur Eye Contact: In case of contact, rinse immediately with plenty of water for at least 10-15 minutes. Obtain medical attention if iritation persists Ingestion: Do not give anything by mouth to an unconscious person. Wash out mouth with water and give copious amounts of water to drink. Do not induce vomiting. Obtain medical attention Additional Information: Always launder contaminated clothing before re-use 5. Fire Fighting Methods Extinguishing Protective: Product inflammable Water spray, foam, dry powder, sand or CO ₂ Fire Fighting Protective: Full protective equipment including suitable respiratory protection 6. Accidental Release Measures Caution: Spillages could prove slippery Absorb large spillage with sand or absorbent Transfer to a suitable container for disposal Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling & Storage Handling: Avoid eye contact Keep in original containers Keep tightly closed when not in use	Ingestion	May cause irritation to the mouth, throat and digestive tract
Inhalation: Remove from exposure. Keep ware and at rest. Obtain medical attention if ill effects occur Skin Contact: Immediately remove all contaminated clothing. Wash skin with water. Seek medical advice if signs of defatting occur Eye Contact: In case of contact, rinse immediately with plenty of water for at least 10-15 minutes. Obtain medical attention if irritation persists Ingestion: Do not give anything by mouth to an unconscious person. Wash out mouth with water and give copious amounts of water to drink. Do not induce vomiting. Obtain medical attention Additional Information: Always launder contaminated clothing before re-use 5. Fire Fighting Methods Extinguishing Product inflammable Media: Water spray, foam, dry powder, sand or CO2 Fire Fighting Full protective equipment including suitable respiratory protection 6. Accidental Release Measures Caution: Spillages could prove slippery Absorb large spillage with sand or absorbent Transfer to a suitable container for disposal Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling & Storage Handling: Avoid eye contact Keep in original containers Keep toriginal containers Keep toriginal containers		
Skin Contact: Immediately remove all contaminated clothing. Wash skin with water. Seek medical advice if signs of defatting occur Eye Contact: In case of contact, rinse immediately with plenty of water for at least 10-15 minutes. Obtain medical attention if irritation persists Ingestion: Do not give anything by mouth to an unconscious person. Wash out mouth with water and give copious amounts of water to drink. Do not induce vomiting. Obtain medical attention Additional Information: Always launder contaminated clothing before re-use 5. Fire Fighting Methods Extinguishing Product inflammable Media: Water spray, foam, dry powder, sand or CO2 Fire Fighting Full protective equipment including suitable respiratory protection 6. Accidental Release Measures Caution: Spillages could prove slippery Absorb large spillage with sand or absorbent Transfer to a suitable container for disposal Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling & Storage Handling: Avoid eye contact Storage: Keep in original containers Keep tightly closed when not in use	4. First Aid Mea	asures (Actions)

Handling & Storage Handling: Avoid eye contact Storage: Avoid eye contact Keep ightly closed when not in use	Eye Contact:	In case of contact, rinse immediately with plenty of water for at least 10-15
Additional Information: Always launder contaminated clothing before re-use 5. Fire Fighting Methods Extinguishing Media: Product inflammable Water spray, foam, dry powder, sand or CO2 Fire Fighting Protective: Full protective equipment including suitable respiratory protection 6. Accidental Release Measures Caution: Spillages could prove slippery Absorb large spillage with sand or absorbent Transfer to a suitable container for disposal Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling & Storage Handling: Avoid eye contact Keep in original containers Keep tightly closed when not in use	Ingestion:	Do not give anything by mouth to an unconscious person. Wash out mouth with water and give copious amounts of water to drink. Do not induce
5. Fire Fighting Methods Extinguishing Product inflammable Media: Water spray, foam, dry powder, sand or CO2 Fire Fighting Full protective equipment including suitable respiratory protection 6. Accidental Release Measures Caution: Spillages could prove slippery Absorb large spillage with sand or absorbent Transfer to a suitable container for disposal Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling & Storage Handling: Handling: Avoid eye contact Keep in original containers Keep tightly closed when not in use	Additional Information:	5
Extinguishing Product inflammable Media: Water spray, foam, dry powder, sand or CO2 Fire Fighting Protective: Protective: Full protective equipment including suitable respiratory protection 6. Accidental Release Measures Caution: Spillages could prove slippery Absorb large spillage with sand or absorbent Transfer to a suitable container for disposal Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling & Storage Handling: Handling: Avoid eye contact Keep in original containers Keep tightly closed when not in use		
Media: Water spray, foam, dry powder, sand or CO2 Fire Fighting Full protective equipment including suitable respiratory protection 6. Accidental Release Measures Caution: Spillages could prove slippery Absorb large spillage with sand or absorbent Transfer to a suitable container for disposal Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling & Storage Handling: Avoid eye contact Storage: Keep in original containers Keep tightly closed when not in use		
Media: Water spray, foam, dry powder, sand or CO2 Fire Fighting Full protective equipment including suitable respiratory protection 6. Accidental Release Measures Caution: Spillages could prove slippery Absorb large spillage with sand or absorbent Transfer to a suitable container for disposal Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling & Storage Handling: Avoid eye contact Storage: Avoid eye contact Keep in original containers Keep tightly closed when not in use	Extinguishing	Product inflammable
Fire Fighting Full protective equipment including suitable respiratory protection 6. Accidental Release Measures Caution: Spillages could prove slippery Absorb large spillage with sand or absorbent Transfer to a suitable container for disposal Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling & Storage Handling: Avoid eye contact Storage: Avoid eye contact Keep in original containers Keep tightly closed when not in use		Water spray, foam, dry powder, sand or CO ₂
Protective: Full protective equipment including suitable respiratory protection 6. Accidental Release Measures Caution: Spillages could prove slippery Absorb large spillage with sand or absorbent Transfer to a suitable container for disposal Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling & Storage Handling: Avoid eye contact Storage: Avoid eye contact Keep in original containers Keep tightly closed when not in use	Fire Fighting	
Caution: Spillages could prove slippery Absorb large spillage with sand or absorbent Transfer to a suitable container for disposal Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling & Storage Handling: Avoid eye contact Storage: Avoid eye contact Keep in original containers Keep tightly closed when not in use		Full protective equipment including suitable respiratory protection
Caution: Spillages could prove slippery Absorb large spillage with sand or absorbent Transfer to a suitable container for disposal Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling & Storage Handling: Avoid eye contact Storage: Avoid eye contact Keep in original containers Keep tightly closed when not in use	6 Accidental F	
Absorb large spillage with sand or absorbent Transfer to a suitable container for disposal Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling & Storage Handling: Avoid eye contact Storage: Keep in original containers Keep tightly closed when not in use		
Absorb large spillage with sand or absorbent Transfer to a suitable container for disposal Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling & Storage Handling: Avoid eye contact Storage: Keep in original containers Keep tightly closed when not in use	Caution:	Spillages could prove slipperv
Transfer to a suitable container for disposal Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling & Storage Handling: Avoid eye contact Storage: Keep in original containers Keep tightly closed when not in use		
Dispose of under Local Authority Guidelines Small spillage flush away with water Avoid washings entering water course 7. Handling & Storage Handling: Avoid eye contact Storage: Keep in original containers Keep tightly closed when not in use		Transfer to a suitable container for disposal
Avoid washings entering water course 7. Handling & Storage Handling: Avoid eye contact Storage: Keep in original containers Keep tightly closed when not in use		
7. Handling & Storage Handling: Avoid eye contact Storage: Keep in original containers Keep tightly closed when not in use		
Handling: Avoid eye contact Storage: Keep in original containers Keep tightly closed when not in use		Avoid washings entering water course
Storage: Keep in original containers Keep tightly closed when not in use		Storage
Keep tightly closed when not in use		
	Storage:	
Do not store below 5°C or above 30°C		
		Do not store below 5°C or above 30°C

8. Exposure Controls / Personal Protection

Hazardous Ingredient(s)	LTEL (8Hr TWA)	STEL (15 mins)
	ppm mg m – 3 NO OCCUPATIONAL LIMIT ASSIGN	ppm mg m – 3 IED
Respiratory Protection:	Avoid breathing spray	
	Use with adequate ventilation	า
Hand Protection:	Should not be necessary unc	ler normal use
Eye Protection:	Ensure spray is pointed away	y from face
Skin Protection:	Should not be necessary und	ler normal use

9. Physical & Chemical Properties

Form:	Liquid	Colour:	Pink
Odour:	Fresh	pH (Value)	10.4 approx
Boiling Point	>100ºC	Melting Point	< 0°C
Flash Point:	Not applicable	Flammable Limits	Not available
Auto Ignition Temp.	Not available	Oxidising Props.	Not available
Vapour Pressures	Not available	Density (g/ml)	1.005
Solubility (water)	Soluble	Solubility (other)	Not applicable
Partition Coefficient	Not available	Pour Point (Deg C)	< 0°C
Viscosity	Not available		

10. Stability & Reactivity

Conditions to Avoid Materials to Avoid	Extremes of temperature		
Hazardous Reactions	Burning produces Oxides of Carbon		
11. Toxicological Information			
Inhalation	High concentrations of mist may cause irritation to the mouth, throat and upper respiratory tract		
Skin Contact	May cause slight / mild irritation		
Eye Contact	May cause irritation		
Ingestion	May cause irritation to the mouth, throat and digestive tract		

12. Ecological Information

Contains bactericidal agent

13. Disposal Considerations

Dispose of under Local Authority Guidelines

14. Transport Information

UN No:	IMDG:	CAO / IATA:	ADR:
Proper Shipping Name:		Marine Pollutant:	
45 Descula	(

15. Regulatory Information

Hazardous Ingredients(s): Hazard Symbol: EEC Classification:

Risk	Phrases:	
------	----------	--

Safety Phrases: S2 Keep out of the reach of children, S24 Avoid contact with skin, S25 Avoid contact with eyes, S26 In case of contact with eyes, rinse immediately with plenty of water and seek medical advice, S46 If swallowed, seek medical advice immediately and show this container or label

16. Other Information

WASHROOM CLEANER WITH BACTERICIDE

The information in this Safety Data Sheet is based upon knowledge available at the time of compilation. It is intended to describe the product only in terms of Health & Safety requirements. It does not signify any warranty with regard to specific properties or specifications.
