

STA DRY

Dry Carpet Cleaning Compound

Our Sta Dry carpet cleaning compound is a dry, corn granule based product that thoroughly cleans by being sprinkled onto carpet without the need for water.

Sta Dry is a high quality cleaning compound that is suitable for use with all dry cleaning carpet machines and contains no abrasive materials.

- Non abrasive
- Dry formulation
- For use with light soiling and general cleaning
- Can be used with our Traffic Lane Cleaner for heavily soiled areas
- Suitable for machine use

DIRECTIONS

Before use, ensure the container lid is secure and upend the container for five minutes in order to fully blend the ingredients.

Sprinkle Sta Dry onto the carpet at a ratio of approximately 50-75g per square metre.

Brush with machine, first in one direction and then another afterwards.

Vacuum thoroughly on completion
Always re-secure lid firmly after use.

For badly soiled areas, pre-spray with **Bio Productions Traffic Lane Cleaner**.
