

# MOLESKINE EYEWEAR COLLECTION

AVAILABLE NOW THROUGH MAY 31, 2024

The Moleskine Eyewear Collection is synonymous with culture, imagination, travel, memory and personal identity. Born of the legendary notebooks: the portable companions where artists, writers, and adventurers stored their ideas and memories. Eyewear is a natural addition to the Moleskine Ecosystem of products.

With its clean design and unique yet discreet shapes, Moleskine Eyewear enables self-expression, becoming part of one's personality.

The collection is elegant, lightweight and available in a range of colors and models to fit your mobile lifestyle. Designed to enable you to work, connect and create on the move, Moleskine Optical Frames are made more portable thanks to handy click-in temples that allow them to lay almost flat when folded.
