

Vanity Fair's Shortlist

1. MR MONTY & ME is a luxury home and lifestyle boutique specialising in personalised dog accessories with staple and timeless pieces that are stylish, and will stand the test of time. Their products are designed and handcrafted in Melbourne, Australia using the finest materials that your four legged friend deserves. Use code VANITYFAIR for 15% off your purchase (expires 03/04/23). Visit mrmontyandme.com.au IG: @mrmontyandme

2. SOWVITAL is a premium horticultural brand whose mission is to reconnect people and their plants through scientifically and mindfully informed rituals. Founder Jack and his team have created a world in which routine, care and nourishment function as a meditative process in the urban gardener's lifestyle, a practice comparable to a skincare routine, a ritualised process of self-care underpinned by both the scientific and the spiritual. Join the adventure at sowvital.com and follow their IG: @sowvitalplantcare

3. ANI BIOME offers Vitality as a Service™, a membership model with science-backed treatments for supporting normal gut health and enabling greater levels of vitality. The Targeted Preventive Treatment™ includes the Ani Habit™ app, which guides Members through daily psychobiological reflections and requires only one minute a day and personalised Age Biotics™. Visit Ani Biome at ani.biome.ai IG: @ani.biome

4. Elevate your space with LA VIE & BELLE's sculptural candles. Home to one of the largest sculptural candle ranges in Australia, where quality and luxury meet craftsmanship. Visit lavieandbelle.com.au IG: @lavieandbelle

5. Toronto brand SHOP JUJU is a luxury pet boutique with a curated range of products including beds, toys, treats, walking accessories and more for dogs and cats. As an extension of their grooming salon, Juju Grooms, they strive to provide some of the best products to help enrich the lives of your pets. Visit shopjuju.ca IG: @shopjuju

6. WOOF FRILLS creates adorable apparel and accessories for your beloved fur-baby. With a new winter collection available now, and sizes to fit all dog breeds, this is the place to find essentials, from harnesses and collars to ultra-soft blankets. Visit wooffrills.com IG: @wooffrills

7. VEGA BASICS goes back to their roots, delivering a small-scale, sustainable, timeless and quality collection in their signature style: high-end knitwear, combined with timeless fabrics. They remain true to sustainability and their fair clothing is made in Portugal and Belgium. Visit vega-basics.com IG: @vega_basics

8. DORSET CORNER creates modern, minimal products for your hands and home. Sustainably and ethically sourced ingredients, hand-made in small batches to produce decadent products. Standout products include their modern incense blends and gorgeous soaps in a subtle, modern palette. Visit dorset-corner.co.uk IG: @dorsetcorner

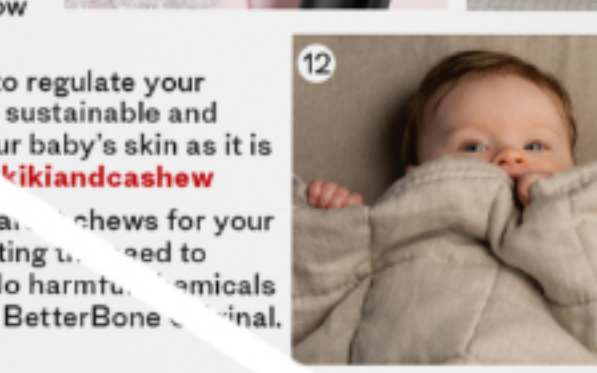

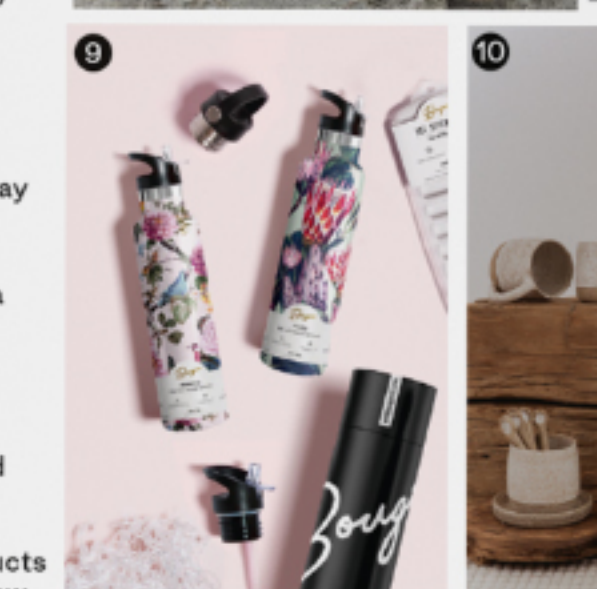

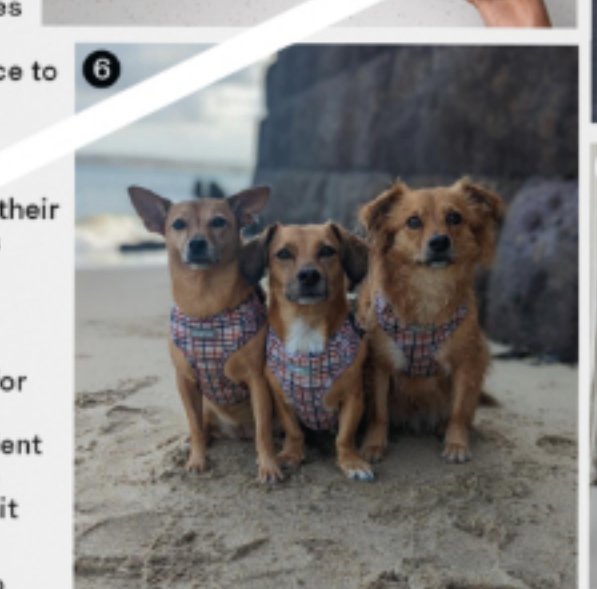

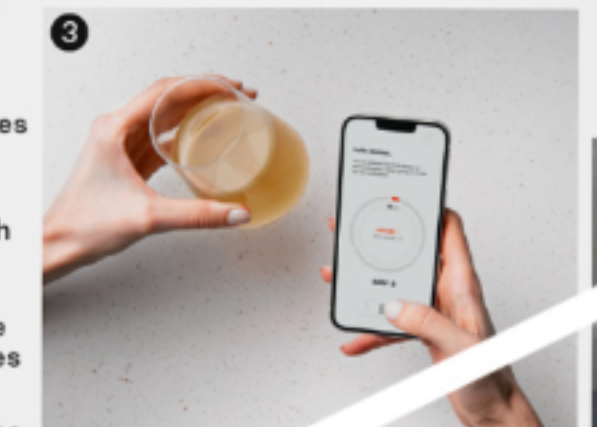

9. Founded in 2020, MY BOUGIE BOTTLE was created to help eliminate single-use plastic bottles and sustain an eco-friendly future. Their drinkware fuses fashion and function for people on-the-go. Featuring gorgeous nature-inspired designs, their 25oz. stainless steel double-walled vacuum insulated bottles encourage recognition and appreciation for the environment. Hydrate with Bougie today for a sustainable tomorrow. Visit mybougiebottle.com IG: @mybougiebottle

10. WHITELOFT CERAMICS is based in Canada. Amanda Payette is a self-taught potter creating hand thrown, functional pottery. The distinct neutral, hygge style is the inspiration of her simplistic aesthetic in her pieces. Visit whiteloftceramics.com IG: @whiteloft.ceramics

11. K MITCHELL COLLECTIONS is a thoughtfully curated range of luxury accessible baby goods. A timeless collection that is hand selected by a mother who knows how important it is to find quality, sustainable products for your little one. Visit kmitchellcollections.com and follow them on IG: @kmitchellcollections

12. KIKI & CASHEW's hypoallergenic flax linen helps to regulate your baby's body temperature, encouraging better sleep. Highly sustainable and better for the environment than cotton, it's as gentle on your baby's skin as it is on their world. Discover more at kikiandcashew.com IG: @kikiandcashew

13. All natural, eco-friendly, dog-approved and one of the safest chews for your dog that's BETTERBONE. Aims to clean teeth while satisfying your dog's natural chewing instinct. No harmful chemicals or artificial ingredients. Better for your dog and the planet. BetterBone is natural. Visit thebetterbone.com IG: @thebetterbone
