SURGE

SLIDING LANTERN

OPERATING INSTRUCTIONS

BEFORE USE: Remove tail cap and remove plastic tab on batteries.

BATTERY REPLACEMENT: Install batteries by first twisting tail cap. Place three AA batteries in battery tray as shown. Replace tail cap. Use alkaline batteries for maximum brightness and life.

Note: Do not mix old and new batteries. Do not mix alkaline, standard (carbon-zinc), or rechargeable (NiCd, LiFeO₂) batteries.

PUSH BUTTON SWITCH: Press button switch near head of flashlight to activate lantern.

SLIDE LANTERN: Pull section of lantern body near tail cap to extend lantern, light will come on automatically. Collapse lantern body to turn light off.

1-YEAR LIMITED WARRANTY: This product is guaranteed to be free of defects in material and workmanship for one year from date of purchase to the original owner. If this product is defective, call our Customer Service at 855-735-9922 for repair or replacement parts or return the product to store from which it was purchased. Guarantee does not include normal wear and tear, batteries or charging cords.

Batteries must be recycled or disposed of properly

WARNING

To prevent damage to eyesight, never look into light when light is on. Do not shine light into the face of someone else.
