

TIN MUSTARD - DRY SPICE

Our dry mustard blend combines traditional mustard powder with cracked mustard seeds and a unique blend of spices including turmeric. It's packed in beautiful 4oz tins built in the US.

Use it as a part of a rub for roast chicken (with garlic, smoked paprika, olive oil and salt and pepper), chicken wings (with scallions, fish

sauce, ginger, lime juice, olive oil and salt and pepper), as well in savory baking, like Southern-style cheese straws with great success.

Specialty stores that currently carry Tin Mustard include The Brooklyn Kitchen, Bedford Cheese Shop,, Lucy's Whey as well as select Whole Foods stores.
