

TIN MUSTARD -WHOLEGRAIN

Our original flavor, launched in 2011, has been proclaimed the “caviar of mustards.”

It has the crunch of a thunder and delicious flavor that balances perfectly between the sharp Dijon style and sweet wholegrain mustards of Central Europe. Perfect with grilled foods or as a base for a vinaigrette for delicious salads.

Specialty stores that currently carry Tin Mustard include The Brooklyn Kitchen, Bedford Cheese Shop,, Lucy's Whey as well as select Whole Foods stores.

Recent press coverage in New York Times, MarketWatch, Serious Eats, New York Magazine and other fine publications.
