We ship using UPS delivery services. Once a package is turned over to UPS, UPS terms and conditions of delivery apply to your order. UPS requires a complete, valid street address for delivery. If UPS determines that an address correction is needed, or if a change of address is requested after package is enroute, additional fees of \$22.00 per box plus additional shipping charges may apply. Shipping from United States to Canada by way of UPS:

All UPS shipments to Canada are subject to brokerage fees and are the responsibility of our customers. UPS will collect these additional fees directly from the customer. As part of the eBP (e-tailor Brokerage Program) with UPS, for residential shipments valued under \$200 CAD, you will be subject to a \$10 brokerage fee (as well as applicable duties and taxes). For orders valued at over \$200 CAD, regular UPS brokerage rates apply. Please visit [www.ups.com/ca/en/shipping/zones-and-rates/customs-clearance](http://www.ups.com/ca/en/shipping/zones-and-rates/customs-clearance). page. Visit us online for up-to-date shipping charges and terms. We will estimate shipping for Canada, Mexico, and other locations outside the U.S. Premium Processing Fees apply to orders needed in less than 7 working days. Catalog pricing is valid for U.S., Canada and Mexico only.
