

## Statement of Shipping - Shipping Policy

### **LogoBoss Three Delivery Options**

We know how important it is to receive your custom products in time for your group's event, and that's why we always provide a guaranteed delivery date for your order.

Additionally, we offer three fast delivery options through UPS and USPS. FedEx Shipping is available by request.

#### **Two-Week Standard Delivery**

Standard delivery is guaranteed to arrive at your door within 14 days! Some exceptions apply for custom made die products.

#### **One-Week Rush Delivery**

Choose Rush Delivery and your custom printed products reach your doorstep within seven business days of placing your order. Rush Delivery only adds an additional 10% to the cost of your order.

#### **3-Day Super Rush Delivery**

Choose this option at checkout if you need your shirts in a flash, and for an extra 25% of the cost of your order, we'll get your shirts to your door in three business days with the same attention to detail and commitment to quality we provide for all our customers.

If you think you can't have products in time for an event this weekend, think again!

Simply place your order by 2pm Tuesday and you'll have the custom printed products in hand by the end of the day on Friday. Not available on all products, including specialty items and embroidery.

These shipping times reflect shipment within the contiguous 48 United States.
