

ALESSANDRA LAPESCHI

RING SIZE GUIDE

HOW TO FIND YOUR SIZE ?

In order to choose the right size for your Alessandra Lapeschi's ring, please print out this document in an A4 paper.

- Before printing, go to "printing options" and ensure that the option "adjust to paper size" is set to "no scaling".
- Once it has been printed out, check that the scale is correct by measuring the diameter of any circle with a ruler to verify it measures printed below.
- Then, find your perfect fit by placing any of your rings on top of the circle and match the size. Please make sure to take the inner diameter of your ring to compare with the diameters in the printed paper.
- If your ring is in between two sizes, we recommend choosing the bigger one.
