SUMMER 20/21

# SUMMER 20/21

2020 what a year!

2021 we hope for brighter times...more holidays, more  
sunshine, more time together.

We survived - and although this years collection has been  
at the mercy of a Covid 2020 we are still happy to bring you  
a broad collection of Knotty favourites!

Some gorgeous new colours in our new premium pre-  
washed - so oh-so-soft - will bring a little bit of luxe to your  
instore collections.

Knotty LUXE is in limited supply - a one-sided micro  
towelling (still 100% cotton) for those customers who like a  
little more weight in their towel.

KILIM, ARIZONA & STARS continue to please and limited  
SKULLS, WILD & PALMS will see out the season.

Classic Linen back with 4 beautiful coloured stripes!

Knotty.... it is still all you need this Summer.

A group of people, including a young boy and several women, are standing on a sandy beach. They are wearing colorful sarongs in shades of green, purple, yellow, orange, red, and light green. The background shows the ocean and a cloudy sky. A semi-transparent white box is overlaid on the image, containing contact information.
