

Air Freshener

DESCRIPTION

A complex blend of natural essential perfume oils and odour neutralises destroy malodours and leaving a fresh floral lingering fragrance.

FEATURES AND BENEFITS

The Solutions System is a concentrated cleaning system providing cleaning products for floor, bathroom, glass, air fresheners and multi-purpose areas.

The Solutions System delivers radiant results at the lowest possible cost and provides the end user with a centralised location for storing, diluting and dispensing premium cleaners.

The Solutions System gives the end user a multiple product dispenser, greater reliability and durability and minimal space needed for installation. The Solutions System is quick and easy to install - no plumbing or backflow issues.

Quickly and accurately delivering proper dilution of product everytime, eliminating manual mixing of chemicals the Solutions System fills both mop buckets and spray bottles.

APPEARANCE

A1 is a clear purple mobile liquid.

SAFETY

Carefully read the Material Safety Data Sheet (MSDS) before using this product.

DIRECTIONS

Place 1 pump of A1 in bottle and fill to the 550ml line with water.

Use A1 to control malodours in toilets, hospitals, nursing home, vet surgeries, funeral parlours, caravan parks, sewerage treatment works, restaurants, hotels, clubs, rent-a-cars, buses, schools and all public areas.

Use a test patch before spraying onto furnishings.
