EFFECTIVE AGAINST COVID-19

Universal Wipes

Clean and disinfect in one easy step

- Multipurpose cleaning and disinfecting solution
- Kills at least 99.99% of bacteria and viruses

- ✓ Hospital Grade Disinfectant
- Suitable for use on hard and non-porous surfaces

Suitable for cleaning and disinfecting surfaces and equipment, killing at least 99.99% of bacteria and viruses, including Coronavirus.

Clinell Universal Wipes are a combined cleaning and disinfectant wipe, suitable for use on visibly dirty surfaces and equipment, killing at least 99.99% of bacteria and viruses, including Coronavirus.

The wipes are perfect for using on non-porous surfaces and equipment that are frequently used including table tops, door handles, light switches, lift buttons, desks, keyboards, chairs, check outs, EFTPOS machines, bathrooms and food prep areas. Great for hot desking in the office!
