

Blue Lazer

Toilet Bowl, Urinal & Washroom Cleaner / Disinfectant

BLUE LAZER is a highly effective toilet and urinal cleaner that is safe to use on stainless steel, to remove uric acid build-ups. Body fats, soap scale and mildew found in shower and bath areas are also removed rapidly with BLUE LAZER, leaving the area free of harmful bacteria. The unique perfume complex of BLUE LAZER lingers to re-odorise the atmosphere with a pleasing, fresh alpine note. BLUE LAZER is ideal to clean and disinfect floors, washbasins and bench tops.

How to Use

Toilet & Urinal Cleaner	Apply neat over entire surface including both sides of seat and under rim of toilet bowl. Allow time to penetrate then flush off.
Shower Stalls	Heavy deposits of soap scum and body fat. Apply neat, allow time to penetrate and scrub if necessary, rinse off.
Light Deposits & Routine Maintenance	Dilute 1 to 20 parts water and apply as above.
Fixtures	Dilute 1 to 20 parts water, apply by squirt bottle and sponge.
Mildew & Algae	Apply neat or dilute 1 to 20 parts water depending on severity, spray or sponge over effected area, allow time to penetrate, wipe or flush off. Use of BLUE LAZER will assist in preventing recurrence of mildew and algae.
Concrete & Tiled Flooring	Dilute 1 to 20 parts water or more as required and mop over entire surface, flush clean. If area is heavily soiled scrub and flush clean.

Features	Advantages	Benefits
Concentrated	High dilution rates	Economical
Fast acting	Saves time	Saves money
High fragrance level	Kills bacteria	Leaves area smelling clean
Proven TGA disinfectant	Kills disease forming germs	Time saving

Specifications

Colour	Deep blue
Odour	Alpine
Hard Water Tolerance	Excellent
Rinsability	Free Rinsing
Flammability	Non-flammable
Biodegradability	Fully
